# Nashville Baptist Association

## Vision:

Middle Tennessee alliance of Baptist churches strategically advancing the kingdom of God.

## Mission Statement:

Our mission is to strategically advance the kingdom of God by networking and resourcing churches in their unique context.

## Core Values:

**Cultural Relevance:** Understanding the cultural context of the people groups around us.

**Unity:** Working together for a common purpose.

**Participation:** Accomplishing together what we cannot do individually.

**Church Leadership Development:** Training church leaders.

**Customization:** Addressing the needs of individual churches.

**Innovation:** Willing to change to address needs.

## Top Priorities

- 1) Strengthen the relationship of churches with the NBA and to one another.
- 2) Continue our emphasis to target language groups with the purpose of ministry and church planting.
- 3) Resource churches to better reach the multiple generations within their ministry fields.
- 4) Begin new churches and replant old churches.
- 5) Encourage, assist, and train church leaders.

## *Our Teams ...*

**Leadership Development Team** will proactively address the health needs of the NBA churches. This team will provide training, resources, and problem solving in areas of ministry, such as: worship; discipleship; spiritual gifts; and age-group ministries, using tools such as refocus, coaching, consulting, and the website.

**Missions Team** will provide resources, connect churches, and facilitate NBA churches to partner in outreach, ministry, and church planting in the NBA and beyond. This team will work with Disaster Relief, World Changers, Evangelism, CWJC, Toy Store, RA's, and WMU.

**Church Planting Team** will identify strategic areas to begin new churches. They will identify new people groups and population segments, and will work with existing churches providing training and coaching for every stage of starting a new work from the dream stage to the planting stage. Will provide a bi-monthly gathering for church planters. Will work together with the Mission Team when the need arises.

**Revitalization Team** will identify plateaued and dying churches in the NBA. They will offer assistance to these churches by providing resources and training. They will also develop a process for churches to partner together. They will continue to develop the legacy church and repurposing method of revitalization.

# Ministry Reports

# Executive Committee

Team Leader: *Roger Freeman*

Philippians 1:3-5 - "I thank my God upon every remembrance of you ... for your fellowship in the Gospel."

City Reach 2018 is a big new outreach of the NBA in partnership with the TBC. Strategic missions projects by the churches will be venues where Tennessee churches can partner with our church outreach ministries.

Assisting in revitalization of churches in the NBA is on the front burner of vision and ministry as well as the continuing outreach of church planting.

Missions partnerships such as the Guatemala connection are exciting developments in the past year.

Preaching the Word of God and the Gospel of Jesus Christ are our central ministries leading to evangelism, missions, and discipleship. This vision of ministry is our goal in all we do.

The Executive Committee held its annual ministry review with Rusty Sumrall, and we are excited about his continuing ministry in the years ahead helping, leading, and equipping our churches.

## **“The IT City,” The Other Coast, Music City, Nashville**

Our home and mission field is one of the fastest growing metro areas in the U.S. with a population of 1,875,000 people today and 2 million people by 2020. The 36<sup>th</sup> largest city in the U.S.

Barna Research tells us that only 20 percent of Nashville are totally committed Christians, and only 51 percent attend church weekly.

Your NBA Staff has been busy this past year helping churches bring Christ to a vital southern city that is mostly de-churched, self-absorbed and self-righteous.

### **Some things that we see working in growing NBA churches:**

1. Praying for lost family, friends, and neighbors by name every day
2. Training Church members how to share Christ with their family, friends and neighbors when God provides the opportunity.

1 and 2 as a church-wide strategy

3. Service ministries to the local community near the church (schools, businesses, government servant employees)
4. Small groups that are discipleship in nature with a ministry expectation being a part of the group.
5. Churches serving together to impact their community in the name of Christ
6. Vibrant worship experiences where the people anticipate that God will do something and because of this, they are eager to invite their friends.
7. Churches have a plan to make an impact for Christ, and they are moving forward with the plan.

### **8. Churches**

As Henry Blackaby says, “God is working all around us, we must join Him where He is working.”

9. More than one church sharing the same building, many times sharing building costs and expenses.
10. Dying and plateaued churches strategically engaging in a revitalization process to develop plans for the future.

Nashville is a strategic city in the U.S. We Baptists must not surrender our city to Satan. God help us to overcome our complacency, apathy, fears, and worship of the past to move forward in reaching one city for Christ!

The Nashville Baptist Association has 180 churches that God calls His bride. He wants to see these churches thrive and make an impact on the Metro Nashville area.

**Here are some of your NBA Staff's goals for 2017-2018:**

- 1.** Eight new church starts
- 2.** New Revitalizer Pastor's Fellowship meeting bimonthly
- 3.** Vision 20/20 will give us direction as we move to 2020 and beyond.
- 4.** Every NBA church will have a meaningful contact with an NBA staff person.
- 5.** God will help us strengthen our disaster relief ministry by providing individuals to become our team leaders for mud-out/chainsaw and shower trailer units.
- 6.** Twenty NBA churches will share life and ministry with twenty TBMB churches from outside Nashville as a part of City Reach.
- 7.** The NBA Revitalization Team will assist five churches in the revitalization process.
- 8.** The NBA will do everything possible not to lose any more church buildings. The Revitalization Team will be actively connecting churches to help this happen.
- 9.** NBA will host a pastor and wives retreat for renewal and encouragement.
- 10.** We will create an Ethnic Ministry Team representing the 31 ethnic congregations.
- 11.** We will see at least one-half of NBA churches engaged in local ministry projects.
- 12.** The NBA office will be the first and best choice for partnering churches to seek resourcing.
- 13.** Six NBA churches will develop a partnership with a Guatemala City, Guatemala, Baptist church.
- 14.** Forty new people will be trained to teach ESL at their churches.
- 15.** Church members praying for all their neighbors during 2018.

# Church Strengthening Strategist

*Jack Carver*

In my role as Church Strengthening Strategist, I interact with pastors on a variety of needs and opportunities. First and foremost, I desire to add significant value to pastors, staff members, and volunteer leaders as they work to develop, strengthen, and expand their respective ministries. Your NBA staff is committed to strengthening member churches as they carry out the vision God has given them.

In cooperation with the Tennessee Baptist Mission Board and the assistance of the Leadership Development Team, we expanded our faculty for the annual Sunday School Leadership Conference in August to offer more opportunities for church leaders to benefit from focused training on Sunday School and small group ministry. 123 leaders participated in the conference hosted by Tulip Grove Baptist Church. Another major training event is the annual Spanish Speaking Sunday School Leadership Conference. Spanish-speaking Sunday School leaders throughout the Middle Tennessee area came to Hermitage Hills Baptist Church to participate in this year's conference conducted by an extremely effective leadership team.

The Leadership Development Team has met to discuss and plan ways that we can provide significant training to church staff and volunteer leaders. Our goal for 2017-18 is to discover how we can best address your leadership training needs. October will be a month of discovering what pastors and church leaders consider their most pressing leadership development challenges. We also want to discover the most effective methods for delivering leadership training to our church leaders.

Contact us when you have a leadership development need or challenge. We may be able to provide training for your leadership team, or we can direct you to other available training resources. Let's work together to develop the leaders you need to take your church to the next level of growth and significance. Also, if you would like to have a review of your church facility, grounds, we can help you. Need an objective evaluation of your Sunday morning experience, we can arrange for a special visitor to provide meaningful evaluation of your church's Sunday morning experience.

I interacted with pastors and churches in the Northern and Eastern zones in the following ways:

- Assisted 4 churches in securing pulpit supply during transitional periods.
- Assisted FBC Madison in transition from satellite campus status to reconstituted church.
- Worked with Northwood Baptist Church in connecting with prospective pastor.
- Participated with Neely's Bend Baptist in revitalization process.
- Numerous contacts with pastors and church worship visits.
- Visited 18 Churches and preached in 10 churches

Every church can strengthen its current ministries and programs. Whether you serve in a growing, plateaued, declining, or even dying church, let your NBA team work with you in strengthening your church's vital role in reaching your community for Christ.

# Church Planting Strategist

*Ben Adkison*

As I think back over the past year, I'm most struck by the strides we've made in developing a better overall strategy for church planting at the Nashville Baptist Association. A key moment in this strategy development came as I attended the North American Mission Board's Multiply training earlier this year. I heard this statistic: "Church Planters who receive a good assessment, good training, and good coaching have about an 85% success rate; however, if any one of these three key ingredients is missing, the success rate drops startlingly to only 35%."

Hearing this statistic put into words what I had sensed more peripherally, and it helped us at the association develop a more thorough plan moving forward. The three elements that must be absolutely present as we support church planters are: 1) quality assessment, 2) up-to-date training, and 3) helpful coaching. Providentially, we were already making strides in all three of these areas. I really do believe that some of our most effective church planting in Nashville is yet to come.

This year we also had six really good church planter fellowships. We averaged around 15-20 planters at each event and had featured speakers that included: Tim Brister, Scott Patty, Russell Moore, Randy C. Davis, Gary Morgan, and Daniel Im. These fellowships continue to provide an opportunity for our planters, their staffs, and those thinking about planting to fellowship and encourage each other while receiving quality equipping.

This year at P2 (Power Plant) we have six different student ministries from around the United States come to partner with six of our church plants. The plants who received help included: New Seasons Church, Grace Story Church, City of Refuge Church, Refuge Church Franklin, Hope Community Church, and All Nations Fellowship. The relationships that are forming between these churches are awesome, and this coming Summer we're helping facilitate some custom mission trips to continue what started this previous year at P2.

Lewis McMullen, Chris Royalty, and I helped lead two different Basic Trainings for Church Planters. Basic Training is typically a Friday / Saturday event where we help new church planters develop their strategies and think through all the aspects that go into planting a health church.

The Nashville Baptist Association currently has 5 new church plants in development and at different points along the church planting timeline. Finally, I personally had over 70 meetings with pastors, planters, associational leaders, or others involved with church planting in some aspect.

It was a good year!

# City Reach Strategist

*Gary Morgan*

**Thankful** is the first word that comes to mind as the newbie on the NBA team — **thankful** to have the opportunity to come alongside the Nashville Baptist Association churches and churches throughout the state with the task of investing in one of Tennessee's greatest cities — Nashville.

With that being said, **Here are a few of the directives that we have established over the last few months:**

Our desire is that City Reach Nashville will be a missions immersion that will awaken others to the movement of God in the great city of Nashville.

City Reach is shaped to be a unique city-based missionary experience, where we will enable churches from across the state to join in the work of God by coming alongside **church plants, ethnic churches** and **churches going through revitalization**.

There in our desire is to immerse students and adults into the life of Nashville so that they may gain a practical knowledge of the realities of living the story of Jesus in diverse cultural contexts.

Participants will spend their time learning and engaging on mission while strengthening the foundation of the gospel and city missional practices.

## **What will City Reach do in Nashville?**

The short answer is to provide opportunities to **learn** and **experience** what it's like to live your life on mission within the context of a Tennessee city — Nashville. Our hope with City Reach is that those from across the state not only will be developed as followers of Christ but also will invest their gifts, resources, and lives into the city for the gospel.

## **Ways people will learn and serve through City Reach**

Mission and leadership experience as you serve alongside other students and mission leaders

Missions immersion training from an ethnic pastor

Training by City & Nashville urban practitioners

Living life on mission in a pluralistic city context

Hands-on mission experience via immersion at the music city marathon, a Love Nashville & Serve Nashville experience, one of Nashville's many festivals, community surveys, block parties, vacation Bible schools, minor construction and renovation projects, relational evangelism, prayer walking and many more

**In the past few months** in which I have been apart of the NBA team I have had the opportunity to do life with the NBA team in so many ways — here are a few:

Further Establish City Reach directives for the city of Nashville

Set up & maintain a social media presence -- @CityReachNashville @CityReachNash CityReachNashville

Established Vision days: October 24, 2017 and January 23, 2018

Met with Nashville churches and teams about the possibility of being a part of City Reach

Traveled to various state events meeting and sharing about City Reach with pastors and church leaders

Established initial City Reach experiences

### **Ways you can be a part**

There are so many .... Let's connect and chat about **how we might join you in what God is doing in your context** and **how you might be able to come alongside others** as they **learn** and **experience** what it's like to live life on mission within the context of a Tennessee city — Nashville.

**For more on Vision Tours and Learning & Serving Experiences** with City Reach Nashville, contact Gary Morgan at [gmorgan@nashvillebaptists.com](mailto:gmorgan@nashvillebaptists.com) or give me a call at 615-473-6485 or check us out on the web at [nashvillebaptists.com](http://nashvillebaptists.com).

# People Group Strategist

*Ray Fairchild*

This will be my final report for the NBA. I am assuming the pastorate of Liberty Baptist Church in Nashville.

I have enjoyed working with the NBA these last three years. I have seen five language churches join the NBA and have worked with the Nolensville zone and with the revitalization team. I do feel like I need practical hands-on experience with the revitalization of churches. I have been able to visit every church in the Nolensville zone, in addition to visiting and preaching in five language churches and visiting with more than eight language pastors.

During this last year, I preached for three months at Bell Road Baptist Church while they were looking for a pastor and for two months at Liberty Baptist Church after Pastor Josh Lynn suffered an accident that prevented him from continuing as pastor.

Last fall, we took a church visit to California to visit the High Desert Church. One of the pastors who went was Kent Shingleton. Upon returning, he put the OIKOS evangelism strategy into practice at Hope Fellowship Church in Smyrna. The student ministry grew from 25 to 67 in two months, and they baptized 10 people.

Please pray for me as I begin this new chapter in my calling.

*Nashville Baptist Association | Tennessee Baptist Convention*

The City Reach goal is to bring churches, associations, institutions and other TBC networks together to penetrate lostness through evangelism and ministry that lead to church revitalization and church planting.

The purpose of City Reach is to build a broad collaborative base in a specific geographic location, which could include multiple, diverse networks who are planting, revitalizing and leading TBC churches. This in order to primarily discern need and develop strategies toward the goal of seeing lostness penetrated in the major urban centers of Tennessee.

## The Church

The definition of a local church, as described in the Baptist Faith and Message is:

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors/elders/overseers and deacons.

Flowing from the definition of a church given above and from the Scriptures from which this definition is derived, we will observe the following guidelines in church planting, leadership training and statistical reporting.

1. A church is intentional about being a church. Members think of themselves as a church. They are committed to one another and to God in pursuing all that Scripture requires of a church.
2. A church has an identifiable membership of baptized believers in Jesus Christ.
3. A church practices the baptism of believers only by immersing them in water.
4. A church observes the Lord's Supper on a regular basis.
5. Under the authority of the local church and its leadership, members may be assigned to carry out the ordinances.
6. A church submits to the inerrant word of God as the ultimate authority for all that it believes and does.
7. A church meets regularly for worship, prayer, the study of God's word, and fellowship. Members of the church minister to one another's needs, hold each other accountable, and exercise church discipline as needed. Members encourage one another and build each other up in holiness, maturity in Christ, and love.
8. A church embraces its responsibility to fulfill the Great Commission, both locally and globally, from the beginning of its existence as a church.
9. A church is autonomous and self-governing under the Lordship of Jesus Christ and the authority of His Word.
10. A church has identifiable leaders, who are scrutinized and set apart according to the qualifications set forth in Scripture. A church recognizes two Biblical offices of church leadership: pastors/elders/overseers and deacons.

## **Nashville Baptist Association (NBA) Church**

1. The church desires to be in fellowship with the NBA and to actively encourage a spirit of cooperative fellowship among the member churches to promote evangelism and discipleship.
2. The church will be in doctrinal unity and integrity as set forth in the Baptist Faith and Message.
3. The church participates in various activities of NBA.
4. The church enlist their membership expertise in service to member churches of the NBA.
5. Each partnering church is to make a regular financial contribution. Member churches of the NBA are encouraged to give at least 3% of undesignated gifts annually.
6. The church is recognized by the NBA by means of information given annually to the NBA by its member churches. The NBA expects the giving of information through the Annual Church Profile.
7. Member churches are encouraged to attend the NBA Annual Meeting each year in September, and quarterly Executive Board meetings.
8. **Voting process.** A Church making application for membership to NBA will meet with a subcommittee of the Missions Team and any representatives of the NBA needed. After a favorable evaluation, the subcommittee will bring a recommendation to the Missions Team for approval of membership. An affirmative vote of the Missions Team will become a recommendation from the Missions Team to the Executive Board of the NBA to be voted on at any regular or annual meeting of the Executive Board.

## **Receiving of Church Planting Funds**

To receive church planting funds, one's activities must be leading to a Nashville Baptist Association church as defined in this document.

**Covenant of Commitment for Application  
into the Nashville Baptist Association**

Member churches will participate in NBA training and fellowship events.

Member churches should practice theology and ministry consistent with the Baptist Faith and Message.

All participating churches and missions who are members of the NBA are encouraged to give at least 3% of undesignated gifts annually to the NBA to assist NBA ministry. Each partnering church is expected to make a financial contribution to the NBA each year, monthly if possible.

Member churches will fill out and return Annual Church Profile to the NBA office no later than November 1 each year. Failure of a church to send a profile two years in succession shall render it subject to review by the Mission Team to determine its status in the association or to offer counsel regarding the preparation of the annual church profile.

Each member church will provide the NBA office with the names, addresses and emails of key leaders who will be sent the Beacon each month.

Member churches will participate in the NBA Annual Meeting each year in September, and quarterly Executive Board meetings.

Each church may be represented at Executive board meetings by the Pastor, a staff member and one lay member or two lay members when a church does not have staff.

NBA staff will meet with church leadership to help them understand the ministry of the Association during the application process for membership.

To become a fully recognized member of the Nashville Baptist Association, your church will approve this document. After review and approval of the Mission Team, the Mission Team will bring your church for approval to the annual meeting or a Quarterly Board meeting.

# Leadership Development Team

*Larry Floyd*

The Leadership Development Team, under the direction of Jack Carver, met with the desire to provide opportunities to Churches and especially staff to grow in leadership. We are very aware of the challenges that face the contemporary Church in trying to accomplish the Great Commission, especially in leadership issues. We have met several times and continue to search out ways to best utilize our LDT. Our main meeting this year is an expansion of the Sunday School Leadership Training which meets on August 21, 2017. This is a joint effort with the TBC. We hope to meet some of the needs of leaders, those in Sunday School, but also those working in other areas as well. The LDT is in process of planning the next year in both events and possibly meeting the zones as well. Your suggestions and help in identifying needs are greatly appreciated.

# Revitalization Team

*Bill Blair*

The past year has seen the NBA Church Revitalization Team move from the conceptual to the actual work of helping churches move toward revitalization. During the beginning phases of the CRT, the focus was on definitions and process. After much discussion we landed on an approach that focused not on prescribing a plan but on helping churches discover God's plan for their church. As we focused on this approach, God led us to the following:

**Discovery Process:** The CRT developed a process to help churches discover God's plan for them. The process involves members from the CRT walking with leaders of churches helping them to evaluate their congregation, the community, and church organization. As the church is evaluated, the CRT helps lead the church and its leaders to focus on prayer as they seek God's will for their church. This discovery process can be adapted for churches that have pastors as well as those without. The CRT began utilizing this process with churches this year.

**NAMB Replant Partnership:** Early in the year the NBA CRT connected with the revitalization leaders from NAMB in order to learn more about their Replant process. According to NAMB, a replant can come in many forms, but the focus is on renewing the work and vision of churches that are on a course toward eventual death. Most often these churches give up some degree of control to a leadership team, the association, or partnering church in order to receive greater help and make the necessary changes so the church can replant itself in the community where it already resides. NAMB has even developed a specific assessment process to evaluate pastors who feel led to this type of work. With help from NAMB, the NBA began a replant process with a church as they are seeking to call an assessed replanting pastor. If you believe your church is moving toward eventual death, please contact the CRT and we can help you examine the options available for replanting your church in your community so your church might continue its ministry for years to come.

# P2 Missions 2017

This year's P2 was a continuation of the awesome ministry that has characterized this event year after year. P2 (short for Power Plant) is a camp / mission experience originally designed by the North American Mission Board. It partners student ministries from around the country with church planters for a one week mission experience.

In Nashville this year we had six different student ministries partner with six different church plants within our city. The church plants involved included:

- New Church
- New Season Church
- City of Refuge Church
- Refuge Church Franklin
- All Nations Fellowship
- Hope Community Church

For P2, each church planter helps determine the scope of ministry that takes place during the week based on the needs and strategy of the church he is planting. This means that some plants utilize backyard bible clubs, some do light construction, some canvas neighborhoods, some put on block parties or free car washes, etc.

P2 has proved to be a great event for churches and church planters year after year. In some cases, it helps foster significant partnership and ministry for many years between the people and churches involved.

This event also typically involves a host church who lets all the students sleep on its floors, utilize its fellowship hall, and provides a venue for worship each night. This year we were privileged to be hosted by Haywood Hills Baptist Church. They did a fantastic job of making us feel welcome all week long.

The final statistics for this year in Nashville were:

- 6 church plants involved
- 6 student ministries involved
- 1 host church involved
- 99 presentations of the gospel
- 4 professions of faith in the gospel

Thanks to all the church who support the Nashville Baptist Association through prayer and financial gifts. Your faithfulness allows events like P2 to happen each year!

On July 17-22, 2017, more than 170 students and adults converged on Nashville for World Changers 2017. Fourteen crews completed work at 13 job sites and impacted countless lives in our city for God's kingdom. Here is a look at the statistical report for the week:

Gospel shared **123** times

**79** people requested prayer

**12** people had questions about a relationship with Jesus

**25** people requested more information

**98** tracts were handed out

**34** Bibles were handed out

**3** salvations

**8** Recommitments

**5** ramps were built for people in wheelchairs

**13** home maintenance/repairs by World Changers through demolition, landscaping, painting, and structural repairs.

**13** Nashville Baptist churches provided lunches each day for World Changers crews.

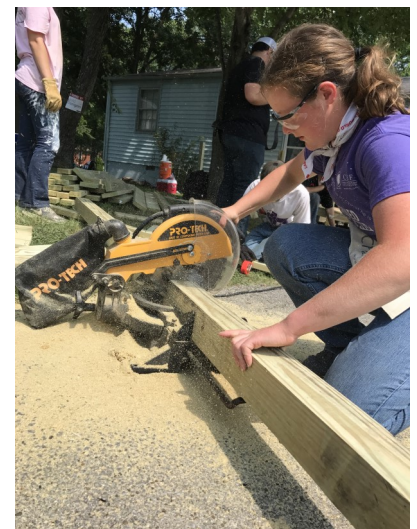

Additional work sites included a ministry for at-risk youth, a low-income apartment complex, and an apartment building for elderly and disabled people.

We would like to thank the following individuals and churches for the role they played in making this a life-changing week for the students and our city:

- Thank you to **Haywood Hills Baptist Church** for graciously providing lodging and accommodations for the World Changers participants and staff.
- Thank you to Crieewood, Walter Grooms at Harpeth Heights, Parkway, Rosedale, and Tulip Grove, who made financial contributions to cover material costs for wheelchair ramps.
- Thank you to Paul Vawter for transporting the NBA shower trailer. Thank you to Paul, Cynthia Scott, and all the other volunteers who helped set up, clean,

oversee, and break down the trailers.

- Last but not least, we want to thank the following churches who provided and served lunches to the World Changers crews this year: Forest Hills and Grassland Heights (who fed three crews together), Crieewood, Donelson First Baptist, Faith, Friendship Community Church, Glenwood, Harpeth Heights, Hermitage First Baptist, Hillview, Tulip Grove, Una, and Valley View.

# WMU

Director: *Judy Scott*

NBA WMU has had an exciting year serving the local churches to help them realize their potential. Our theme for 2016-2018 has been By All Means. Paul wrote in 1 Corinthians 9:22b-23 (NIV), "I have become all things to all people so that by all possible means I might save some. I do this for the sake of the gospel, that I may share in its blessings." In Colossians he exhorts us to be wise in how we treat outsiders.

In October we served through JAM, a one-day children's event in which children learn about missions in fun and exciting ways.

Baptist Women's World Day of Prayer was held at Harpeth Hills Baptist Church in November. 84 women and men gathered to learn about what women around the world are doing to make a difference in the lives of women and children including the Middle Tennessee area with a word from Becky Sumrall, Executive Director of Begin Anew and Elaine Pearson (Wilson County), Phoebe Ministries. In many places poverty, ignorance, false religions, slavery, hunger and prejudice are running rampant. We gather for a concert of prayers with our sisters around the world. The Hispanic WMU gathered at Southgate that evening to hear from Kendall Shirey and pray for women's needs around the world. There were approximately 30 people in attendance. The combined offerings collected for the NBA Christmas Toy Store, Begin Anew, and the BWWDOP Projects was over \$500. Also in November, I represented our Association at the TBMB WMU Executive Board meeting at the Missions Mobilization Center. There I learned how to be a better Director and about upcoming events and opportunities.

In December members of our team joined with others across the Association to participate in the NBA Christmas Toy Store at Shelby Avenue Baptist Church.

April was an exciting month which began with Leadership Team members attending the TN WMU Get-together in Gatlinburg. The following week we celebrated 20 years of ministry with Begin Anew at their Spring Fundraiser. Our Annual Meeting was held at Crieewood Baptist Church on Thursday April 27 with 90 people in attendance. Music was provided by Ron and Sylvia Philips. Our featured speaker was Linda Cooper, National WMU President. She shared how she lives out her call in her everyday life taking every opportunity to invite others to know Jesus. April ended with a member of our team participating in MissionsFest, the National WMU trip to the Bledsoe Association.

In May, our team attended Frameworks training held by TN WMU. On September 9, our team held Church Missions Leader Training at Bellevue Baptist Church.

The following persons were elected to Team Leadership:

Judy Scott, Hickory Hollow, [615-361-5422](tel:615-361-5422)  
Sharon Vanderpool, Bellevue, Assistant Director  
Linda Dice, Glenwood, Secretary  
Isabel Britton, Tulip Grove, Language Co-Consultant  
Ariadna Torres, Esperanza Viva, WMU Hispanic Co-Consultant  
Brian Holt, Forest Hills, RA/Challenger Consultant  
Cynthia Scott, Hickory Hollow, Technology and Communications Consultant

# Royal Ambassador Leadership

*Brian Holt*

This has been a challenging year for Royal Ambassadors in Nashville. Nashville Baptist Association RA groups are making their presence known in Tennessee with some of the strongest RA Ministries in the State year in and year out.

The challenge came with our major event of the year, the Annual Royal Ambassador Wilderness Challenge. Wilderness Challenge is a camping event that featured a Christian speakers and missionaries for worship, Royal Racers (pine wood derby races) and the Campcraft Rodeo. It has become the second largest event for RAs in Tennessee and is recognized as one of the best events in the nation. With Easter falling on our normal weekend for RAWC we moved to the following week which created challenges with Boxwell Reservation. They were forced to move us to a new camping area that normally would not have been a problem but the weather had other ideas. The weekend of Wilderness Challenge we learned of a forecast bringing tremendous rain to the area throughout the entire weekend. There was also a strong possibility of severe weather including tornados. As a result we did something that we have never considered before and cancelled Wilderness Challenge. The weather did not disappoint as rain started at noon and continued solid with long severe showers until Sunday afternoon. Our motto has been "Don't Complain, Camp in the Rain" but without a suitable storm shelter and the amount of rain it was the right choice. We had hoped to offer a second event to replace it but locations and dates were not feasible.

The TBC is continuing to partner with us and provides promotions and other support resources as needed. Wilderness Challenge is later this year due to Easter Sunday and will be held on April 12-15, 2018.

With the impact of Hurricane Harvey already being felt and the threat of Irma hitting Florida, the RA Lead Team is investigating the possibility of an Association Wide Fund Raiser for Disaster Relief this fall. This will likely be a Basketball Dribble-Thon and Shootout as a kick-off event to basketball season as well as earmarking the funds for this years RAWC Mission Hike to benefit NBA Disaster Relief Units.

This year the NBA WMU Team will be hosting RA Training on September 9 at Bellevue Baptist Church. Royal Ambassador and Challenger Training will be available during this training.

We want churches to embracing the view that RAs is a ministry of your church and if done properly can bring people into the church. More importantly we want churches to see the importance of Royal Ambassadors and how the skills we teach in RAs are vitally important to His challenge to take the gospel to the "ends of the earth." If an RA becomes a missionary and is called to the ends of the earth he will have the basic skills he needs to get there. He will know how to build a fire, use a compass, tell a Bible story accurately and know the importance of that calling on our lives. If your church does not have RAs and GAs, how will they know the importance and have the skills to reach the lost? I challenge you to consider having a dedicated Missions Education Program of RAs, GAs or Children in Action and begin preparing tomorrows missionaries today!

To do that contact myself and I will be happy to walk you through what you need to do. I will make sure you have the training you need to be successful and to begin to build a foundation for the future.

Tennessee RAs Lead Team has put together 4 training models to offer. Consulting services, are for individual churches needing training. RA Trainers will train leaders of a church then walk with them to coach and help them throughout the year. RA Express is a 2 hour training designed to hit highlight the important components of RAs to give leaders the basic tools they need to lead RAs at their church. This is designed for individual churches as well as associational and regional mission trainings. RA Academy is designed to be a 4 hour immersive training that gets into all aspects of RAs (missions ed, campcraft, racers, etc.) to help leaders make their RA Ministry stronger and engaging to the boys. This is designed to be a regional event including multiple associations. Lastly, is RA University, which is a 2 day, 8-10 hour

# Vacation Bible School

NBA VBS Director: *JoAnn Howard*

**Galactic Starveyors** was our VBS theme for 2017. As kids focus their telescopes on the marvels painted in the sky by the Creator, they discovered the wonder among all wonders - that the God who created everything there is - the knowable and the unknowable, the visible and the invisible - wants a personal relationship with them! They found out that God is over the moon in love with them.

**Key Verse: Colossians 1:15-16** He is the image of the invisible God, the firstborn over all creation. For everything was created by Him, in heaven and on earth, the visible and the invisible, whether thrones or dominions or rulers or authorities—all things have been created through Him and for Him.

**Motto:** Searching the Visible, Discovering the Invisible

In our association this past year we hosted one preview event on January 19<sup>th</sup> at Antioch FBC. The preview was for Pastors and VBS Directors (church teams were welcomed). We had approximately 30 attend.

Our VBS Training Clinic was April 24<sup>th</sup> at Antioch FBC. We provided classes for Directors, Pastors, and all rotations including Students. We had approximately 92 attend that clinic.

Your VBS Team for 2017 included: Nick Corbitt, Antioch FBC; Laura Price, Antioch FBC; Dana Corbitt, Antioch FBC; Todd Capps, Tulip Grove; Cynthia Scott, Hickory Hollow; Wendy Bullock, Antioch FBC; Vicki Evans, Haywood Hills; Dwayne Lewis, New Season Church; Jennie Ross, ClearView; Cindy Davison, Tulip Grove; Debbie Hawkins, Antioch FBC; Eric Boswell, Tulip Grove.

## Spanish Sunday School Training

*Vicky Regalado*

Our Spanish Annual Sunday School Training was at Hermitage Hills Baptist Church on September 9, 2017 from 1–5 p.m. More than 160 teachers and pastors from 14 Nashville-area Hispanic churches were trained, in all age groups: preschool, children, youth, new members, adults and pastors. Our main emphasis was “The 3 Roles to Guide Small Groups in the Context of the Sunday School” TEACHER, LEADER, & PASTOR. The training was focused on teachers who function as TEACHER because they teach the Word of God, as PASTOR because they care for the students, and LEADER because they guide the students to reach.

The event was sponsored by NBA, TBMB, LifeWay Global, Robertson County Baptist Association, and Hermitage Hills Baptist Church and was led by Dr. Patrick Regalado and Vicky Regalado, NBA Hispanic Church Consultants, and Jack Carver, NBA Church Strengthening Strategist.

# Mapping Center

*JoAnn Howard*

We were able to help save hundreds of hours of staff time through our mapping center. Churches were able to use information from the mapping center to do canvassing, prayer-walking, backyard Bible Club and VBS mail-outs, block parties, neighborhood Bible studies and many other kinds of outreach projects.

With this information, you receive contacts for new neighbors, unreached people, religions, ethnic groups, ethnicity, language, income, marital status, education, ages of adults and children, household size and ownership. Over this past year we were able to help 33 churches find out information about their community. Let us help your church reach out into your community.

Churches helped through the Mapping Center:

FBC Old Hickory at the Village	Charlotte Road
FBC Hermitage	FBC Pegram
Park Avenue	Resonate
Lincoya Hills	Crievewood
Redeemer	Green Hill
Antioch FBC	Parkway
Northwood	Church Nashville
Shelby Avenue	Mill Creek
Neely's Bend	FBC Joelton
Hickory Hollow	Indian Lake Peninsula
Eastland	Refuge Church
Westwood	Westview
FBC Madison	Scenic View
City Church Network	City of Refuge
Grace Story	New Season
Valley View	Mt. View
Una	

The mapping center is a computer program that provides a variety of up-to-date information about neighborhoods, streets, and individuals living in our communities. The information provided by the mapping program can be very useful to churches as a tool to specialize and focus ministry. The NBA office provides and interprets reports for churches as a part of the NBA ministry.

# Recreation

*Tammy Drolsum*

The Recreation Ministry of the Nashville Baptist Association helps churches establish, conduct, enlarge, and improve their recreation programs; plans and directs recreational activities for the association as a whole; and provides athletic activities for the association by assisting churches in the area of organized sports.

Our goal is to provide opportunities for churches to engage their members and prospects in recreational experiences through which fellowship, lifestyle discipleship, and evangelism will take place. To accomplish these goals, we provide leagues for softball, volleyball, and basketball. We also offer monthly golf scrambles throughout the spring, summer, and fall.

## The 2016-17 year in review

### Coed Volleyball

In the fall of 2016, 14 teams participated in the coed volleyball season. Teams played at Judson Baptist Church and Tulip Grove Baptist Church. Judson won first place in this year's championship, and Tulip Grove won second place.

*First place: Judson Baptist*

*Second place: Tulip Grove Baptist*

### Basketball

During the winter, five churches participated in the NBA Coed Basketball League. Creievwood Baptist Church was the champion for 2017, and Nashville First Baptist was the runner-up.

*First place: Creievwood Baptist*

*Second place: Nashville First Baptist*

### Golf

We had seven golf tournaments, averaging 70 people per tournament, the participants ranged in age from 22 to 85 with approximately 17 different churches fielding teams.

If you would like to participate in the NBA Recreation ministry or enter a team in one of the leagues, please contact Tammy Drolsum or the NBA office. (Call 615-259-3034 or email [tdrolsum@nashvillebaptists.com](mailto:tdrolsum@nashvillebaptists.com).)

## 20<sup>th</sup> Anniversary Ministry Celebration

Begin Anew is celebrating our 20<sup>th</sup> year by expanding the ministry. First, student enrollment increased from twelve men to twenty-nine men in the Madison Begin Anew ministry. Second, in January 2017 we began ministering to immigrants and refugees in a new satellite location in South Nashville. Finally, February 2017 we began serving families previously resettled and served by World Relief. God has called us to share Jesus with these families and individuals He has bought to Nashville from all over the world! As we share the Gospel with them, they are able to overcome spiritual, mental, emotional, and physical obstacles caused by poverty. Christ Church, Tusculum Hills Baptist Church, and Nashville First Baptist Church are our partners in the expansion of the ministry.

Since 1997, Begin Anew has expanded throughout middle TN from one to seven ministry locations where we serve over 250 adults and 150 + children each week. Only God alone could have imagined all that would take place between now and 1997 when a small group of Ladies of Nashville Baptist Association's (NBA) Women's Missionary Union (WMU) Associational Council and NBA opened their hearts and hands and found a way to help the women of Middle TN. Thank you NBA for being our first ministry partner in 1997!

Weekly, the ministry serves women, men, and their children who seek to attain their high school equivalency, further their knowledge of computer and job skills, and learn English. However, the foundation of the ministry is to lead them to being or grow in a personal relationship with Christ. This is accomplished through weekly Bible study, prayer partners, encouragers, tutors, teachers, childcare workers, those who serve meals, and the many more beloved volunteers. Free childcare removes an additional barrier and peace of mind for students while they are in their classes.

Pictured is the Emmanuel family. They are from the Republic of the Congo and have been in the United States since November 2016. They are the first family from World Relief to come under the care of Begin Anew's new South Nashville site with a Good Neighbor Team. This family of nine has two teenagers, two young children, two toddlers and one infant named Mercy Lillian. They have a wonderful Good Neighbor team and love going to church and learning about God. Though there is a language barrier, going to church each Sunday is one of their main goals.

Often I will hear one of the teenagers say, “In America, this is how it is done”, or “In America, they don’t do this or they don’t do that.” Recently their son Jean Amani said, “Americans don’t sleep late, they get up early to go to work.” When I hear this, I’m amazed of the things we don’t think about on a daily basis because they are the norm for us as Americans. Pray for God to call more Christians to join us as a Good Neighbor Team (4 -6 people) with other refugee families.

- Students serving this summer in Africa (Africa Inland Mission) in Haiti and on staff with churches (FBC Nashville, FBC Huntsville, Calvary Baptist – Illinois, and Gilead Baptist – Kentucky)

\* Fall Mission trip will be to Knoxville TN to serve with City Reach

*Spring Break Mission Trip to Pensacola, FL*

The POINT has served as our large group meeting for the BCM and has been a primary means of evangelism training and discipleship in years past. In the fall, the POINT will transition to being an outreach event and serve as the entrance place for the ministry. This fall, we experimented with the idea having two weeks dealing with issues important to the campus community, anxiety and depression. Each week, we had more in attendance, more discussion, and more first time guest. The focus for the fall will be on other discussion based topics prevalent on campus.

Discipleship will move to more one-on one meetings and as part of our Life Group model. Life Groups are peer-led Bible study and accountability groups.

Evangelism training and leadership development will be through one time training events, focused on the leadership team, but open to the entire BCM community.

## Weekly Calendar

Tuesday Nights at 7PM	DATCU (dinner at the Commons, Upstairs)
Tuesday nights at 8PM	Freshmen Bible Study
Thursday night at 7PM	The POINT
Sunday night at 8PM	Leadership Meeting/Leadership Training
Throughout the week	Life Groups (student-led discipleship and accountability groups)

## Goals for 2017/2018

In 2017/2018, we are looking to partner with Brentwood Baptist Church to add Collegiate Missionary Associates to the staff of the BCM at Vanderbilt Place. These associate staff members will lead much of our discipleship and evangelism efforts and will work to better develop one-on-one relationships with our leaders and with students nominally involved. The BCM Director will supervise the Associates in conjunction with Brentwood Baptist and will focus attention on developing church partnerships and in improving the financial standing for the BCMGN (Baptist

Collegiate Ministry of Greater Nashville), the not for profit board with supervisory responsibility for all BCM work in the Nashville area.

### Specific Goals:

30 first-year students engaged and involved with the BCM

Increase in Life Groups from 8 to 12 with increased involvement to 40 students

Development of leadership training model to better equip students for leadership opportunities within the BCM and the local church

Increase in the number of NBA churches directly supporting the BCM and an increase in the contributed amount from local church support.

## Budget

Total budget for 2016/2017	\$52,000
Forest Hills Contribution	\$4,800
Proposed 2017/2018 Budget	\$48,000

# Indonesia Partnership

*Clair and Ado Young*

Thank you to everyone for praying for our **strategic meeting**. It went really well. Each region was able to make specific goals to move forward strategically. The main theme that came up for all the regions was developing more leaders to build stronger teams.

Praise God our **National Gathering** went well. We felt a deeper sense of community, openness, and vulnerability among our teams. One of the nephews of an Indonesian co-worker gave his life to Christ, and he was baptized. He said he was in darkness but now feels lighter and things are

clearer. Also, several of our team leaders recommitted to the communities where they are living. The Holy Spirit was at work!

This spring, our family traveled to the U.S. to join a new organization — CRM. It was a very inspirational and encouraging time for Ado and me. We felt supported and loved for who we are and for what God has called us to do. Several times we had the words, “New Beginnings” prayed over us. Please pray with us that we can understand where God is directing and what new/fresh thing He wants to do within His work in Indonesia.

**Please pray with us for more fruit!** We have a yearning in our heart to see God work in greater ways, to see more communities come to faith, and to see more individuals interested in the gospel! A theme that has been placed upon our hearts is “fruit and pruning” — Luke 13:6-8. We are asking God to show us what needs to be pruned away and how to fertilize better!

God has been stirring a passion in our hearts for something new. We feel God is beginning to speak to us about what this reboot/new start might look like. Please pray for us as we pull

together a strategic plan to find and train new national workers and revamp some of our ministries. Pray that we would have the courage and perseverance to disciple and train reproducing Indonesian leaders. Pray that by the beginning of next year we will have new workers to train.

Thanks for continually being diligent in interceding for us!

Blessings,

Ado, Clair, Alana, and Kobe

## Restoration Corner Ministry

**Founder:** JoAnn Scaife

**Co-Founder and Director:** Juels Evans

Restoration Corner Ministries strives to foster a culture of worship and spiritual formation at different universities across the states, encouraging intentional service to God through evangelism, discipleship, worship, local missions, and multi-media ministry, while involving collegians in meaningful leadership.

Restoration Corner was established in 2013, based on an idea of a collegiate ministry and four college students, now alumni of their schools, to create a place and organization where a college student can be fostered uniquely as an individual into their true purpose for life and leadership in the world. RCM was birthed to leave a legacy of support that fosters college students through their educational experience while incorporating the importance of faith as individuals pursue their education. RCM is a bridge that brings faith and education together. Our goal is to be national, reaching college students across the world with our message and partners.

Restoration Corner Ministry has increased our partnership base by adding community partners, developing a new program for students, and increasing membership as well as confirming more campus departmental relationships from the universities we serve. Our goal is to continue adding partners because this helps us meet our financial goals by obtaining funds needed to encourage participation and expand our programming. Working alongside the universities is another goal whereby we seek to enrich our knowledge of the schools and have direct contact with college students we are trying to reach. Individual volunteers and donors are especially important to us and have been a great reward to us in the past year, providing opportunities for individuals to partner with us in community outreach.

Restoration Corner is intentional about bridging faith and education on a daily basis. Our uniqueness springs not only from being a faith partner for students, but also from having staff who already have been where the students stand now in their educational journeys. We know the road they must follow to achieve that higher learning. Our staff is intentionally made up of alumni from numerous universities who are passionate about serving students and who are willing to give back to their community and to help build leaders for today. We have a strong focus on restoration in the lives of students. So many students in our culture today are broken and already living an adult life without first having the college experience. School becomes just another job, not a place of true learning and great discovery of creativity for life. We emphasize the importance of "picking up the pieces," forming a good understanding of where you are and starting from there by committing to be "better, not bitter."

# Guatemala Partnership

*Rusty Sumrall*

In 2017, the NBA Executive Board approved a recommendation from the Missions Team to develop a partnership with Baptist churches in Guatemala City, Guatemala.

The NBA provided \$900 assistance each to nine people from seven NBA churches to participate in a vision tour to six different churches in Guatemala City from August 14-18, 2017.

The Vision Team was challenged by the needs and the ministry of the Guatemala City Churches.

We need partners for each of the churches in the city. We need at least six partner churches now and could grow to six more churches in 2018.

Your Missions Team hopes to sponsor an NBA mission trip to Guatemala City during 2018.

Some of the needs of the six churches are:

1. Construction work — adding on to existing church buildings
2. Ministries in schools
3. Ministry to children
4. Medical clinics
5. Evangelistic visitation
6. Support and participation in weekday ministries of the churches

Approximate cost to be part of a Guatemala trip is \$2,000. Please contact the NBA office at 615-259-3034 if you would like to be a part of the NBA mission trip in 2018.

# NBA Guatemala Vision Tour 2017

Ten People representing eight churches spent five days in Guatemala City meeting with pastors, Guatemala Baptist Convention leaders, and visiting churches. The team visited six churches. The pastor of each church shared needs and opportunities for NBA churches in Guatemala City.

Your NBA Mission Team is leading the way for us to partner with Baptists in Guatemala City. If you would like to learn more about the needs in Guatemala City or would like to serve in 2018, please contact DOM Rusty Sumrall at 615-259-3034 or our Mission Team Leader Jim Cross at 615-883-2339.

# ACP Reports

The Annual Church Profile (ACP) is your tool for reporting your church's leadership, growth, and vital information to your local association. When you keep us informed about your leadership and staff changes, we can communicate about a ministry with the people who are involved in that ministry. When you complete your ACP and give us information about the numbers of people involved in different ministries, we can use that data to help you with appropriate resources and networking. The ACP is used to verify with the IRS that your church is a Southern Baptist church.

***Please complete your 2017 ACP and return it to the NBA by November 1.***

# Brookside New Work Fund

*Funds provided through the Nashville Baptist Association to assist our churches in starting new work.*

The Brookside Fund was started from a gift in the amount of \$325,164.56 from Brookside Baptist Church in 1982. At the time of the original gift, Brookside Baptist Church requested that the gift be invested and the interest generated be used to start new work, *“To acquire land, and to assist in acquiring or erecting buildings (either permanent or temporary) for the establishment of new Southern Baptist Churches or church type missions, first in the Nashville Baptist Association as now constituted and then in other areas as determined by the Nashville Baptist Association.”*
