Nashville Baptist Association

Vision:

Middle Tennessee alliance of Baptist churches strategically advancing the kingdom of God.

Mission Statement:

Our mission is to strategically advance the kingdom of God by networking and resourcing churches in their unique context.

Core Values:

Cultural Relevance: Understanding the cultural context of the people groups around us.

Unity: Working together for a common purpose.

Participation: Accomplishing together what we cannot do individually.

Church Leadership Development: Training church leaders.

Customization: Addressing the needs of individual churches.

Innovation: Willing to change to address needs.

Top Priorities

- 1) Strengthen the relationship of churches within the NBA and to one another.
- 2) Continue our emphasis to target language groups with the purpose of ministry and church planting.
- 3) Resource churches to better reach the multiple generations within their ministry fields.
- 4) Begin new churches and replant old churches.
- 5) Encourage, assist, and train church leaders.

Our Teams

Leadership Development Team will proactively address the health needs of the NBA churches. This team will provide training, resources, and problem solving in areas of ministry, such as: worship; discipleship; spiritual gifts; and age-group ministries, using tools such as refocus, coaching, consulting, and the website.

Missions Team will provide resources, connect churches, and facilitate NBA churches to partner in outreach, ministry, and church planting in the NBA and beyond. This team will work with Disaster Relief, World Changers, Evangelism, CWJC, Toy Store, RAs, partnerships, and WMU.

Church Planting Team will identify strategic areas to begin new churches. They will identify new people groups and population segments, and will work with existing churches providing training and coaching for every stage of starting a new work from the dream stage to the planting stage. Will provide a bi-monthly gathering for church planters. Will work together with the Mission Team when the need arises.

Revitalization Team will identify plateaued and dying churches in the NBA. They will offer assistance to these churches by providing resources and training. They will also develop a process for churches to partner together. They will continue to develop the legacy church and repurposing method of revitalization.

Ministry Reports

Executive Committee

Team Leader: *Roger Freeman*

“I thank my God upon every remembrance of you ... for your fellowship in the Gospel” (Philippians 1:3-5).

It has been said that the only things we can take to Heaven with us from earth are the relationships that we have made here. Our relationship to God through Jesus Christ and the relationships with fellow Christians are certainly the great blessings our salvation. I thank God eternally for the relationships that God has given to me through all of you these past two years. It has been a profound honor to serve with the great pastors and leaders of the Nashville Baptist Association in the churches and with Rusty Sumrall and the NBA staff.

The Vision 2020 initiative will be unveiled today. It is the result of days and hours of prayer, study, discussion, research, more prayer and study with the incredible people on the Team who worked so diligently and cooperatively. Pray, read, study as you contemplate the vote in several weeks on the Vision 2020 plan for the NBA .

City Reach 2018 has been a great new outreach of the NBA in partnership with the TBC. Strategic missions projects by the churches will be venues where Tennessee churches can partner with our church outreach ministries.

Assisting in revitalization of churches in the NBA is on the front burner of vision and ministry as well as the continuing outreach of church planting. We have churches in the NBA now involved in intentional congregational revitalization, and this is so encouraging.

Missions partnerships such as the Guatemala connection are expanding developments in the past year.

Preaching the Word of God and the gospel of Jesus Christ are our central ministries leading to evangelism, missions, and discipleship. This vision of ministry is our goal in all we do.

The Executive Committee is excited about the continuing ministry of our NBA in the years ahead helping, leading, and equipping our churches.

Executive Director

Rusty Sumrall

Metro Nashville NOW

We continue to see our community increase in population at a pace of 90 people a day. Most of these people have no religious background. Only about 31 percent of our population would be considered committed Christians.

We have a mission field of people who do not know they need Christ as their savior, people who confess a cultural Christianity, and people who have become disappointed in the church. **What a great opportunity we have in our association to impact Metro Nashville with the love of Jesus Christ!**

Wow! I praise God for the opportunity and challenge He has given us.

Because of this great opportunity and challenge, our association must be the best we can be to accomplish what we must do to support our NBA churches as they move out to reach our communities with the message of Christ's love and salvation.

Last year at this time, I shared 15 goals of your NBA staff for 2017-18. We reached seven of our goals, and several went beyond our goal.

We continue to work on these eight goals:

- ⇒ Every NBA church will have a meaningful contact with an NBA staff person.
- ⇒ The NBA Revitalization Team will assist five churches in the revitalization process.
- ⇒ The NBA will do everything possible not to lose any more church buildings. The Revitalization Team will be actively connecting churches to help this happen.
- ⇒ NBA will host a pastor and wives retreat for renewal and encouragement.
- ⇒ We will create an Ethnic Ministry Team representing the 31 ethnic congregations.
- ⇒ We will see at least one-half of NBA churches engaged in local ministry projects.
- ⇒ The NBA office will be the first and best choice for partnering churches to seek resourcing.
- ⇒ Church members praying for all their neighbors during 2018

Vision 20/20

In our effort to be the best we can be, the NBA Executive Committee formed a Vision Team and provided funding for the team. This team has worked many hours during the past 11 months seeking God's guidance for our association as we strive to be the best we can be.

Thank you, team members.

Bill Wilson Jr, Director, Center for Healthy Churches
Bill Owen, Congregational Consultant and Coach, Center for Healthy Churches
Todd Bishop, Connection Minister, Brentwood Baptist Church
Dwayne Lewis, Pastor, New Season Baptist Church
Jeff Mims, Pastor, Judson Baptist Church
Nathan Parker, Pastor, Woodmont Baptist Church
Scott Patty, Pastor, Grace Community Church
Ryan Wicker, Associate Pastor of Education, Dickson First Baptist Church
Roger Freeman, Pastor, Grace Baptist Church, and NBA Moderator
Steve Durham, Pastor, Sunset Hills Baptist Church, and NBA Vice Moderator
Rusty Sumrall, Executive Director, NBA
Tammy Drolsum, Assistant to Executive Director/Ministry Strategist, NBA

You will hear a report from them in the meeting tonight.

Thank you to every volunteer who supports the NBA by giving their time to help sister churches be their best and to train church leaders so they can serve our Lord better!

Thank you to our NBA staff for all your hard work. Thank you for your love of God and His church. Thank you for your call to serve churches.

The purpose of the local association is to help churches be better as they work together to reach our mission field in Metro Nashville.

I commit to you that your NBA staff will do everything possible to assist, resource, and network churches and ministries to reach Middle Tennessee.

We are truly better together! Encourage your church to support the NBA financially and to contact the NBA office to learn how to be more involved together in reaching Middle Tennessee.

Serving Together,

Rusty Sumrall

Church Strategist

Dwayne Lewis

As I look to the future of the NBA, I am looking through the lenses of intentionality, inclusivity, and diversity. I am excited about walking alongside the NBA staff as Church Strategist, learning and building together to create strategic plans at every level with our NBA churches. I will be establishing proactive planning toward reproduction through long-term investments in pastors and church leaders.

The Nashville Baptist Association is a gathering of churches and people groups that worship and praise our God in different worship graces and languages. My role as church strategist is to walk alongside pastors and church leadership to develop pathways toward mission involvement and facilitate strategic partnerships with other churches and resources. I also will branch out intently to add value and to provide training, development, and encouragement to pastors and churches.

Through information exchange between the NBA, TBMB, LifeWay, and other pastors, we will assist pastors and church leaders with strategic planning, equipping, mentoring, and resources that are tailor-made for predictable success and church growth. I have had the great pleasure of collaborating with Lewis McMullen and Charles Grant of the TBMB with church strategies and leadership strategies. I will foster networking and communication through ethnic churches to create vibrant and dynamic relationships and fellowships.

Over the past six months, I have spent quality time with more than 30 pastors and church leaders within and outside the Nashville Baptist Association. I have had the opportunity to speak on a Sunday morning at five NBA churches. I have assisted three churches with receiving demographic information that has helped them during evangelism. Walked alongside one church in strategic planning and implemented City Reach/World Changers mission team assignments. I facilitated three church planters and their spouses to attend the Basic Training class held at NBA office.

Upon seeing the statistics of plateaued and declining churches in the U.S., my passion is to intentionally create clear signals to pastors and leadership that there are possibilities ahead. These possibilities are found in their vision and are accompanied by progress steps, vision casting, organizational development, systems management, leadership, and resource development. Let's keep the doors of the church open because statistics say that 70 churches close their doors each week in the U.S.

We're here to assist our Nashville Baptist Association Churches through efforts of connecting, training, revitalizing, church planting, resourcing and strengthening for Kingdom impact!

Goals Accomplished:

- Arranged Basic Training for Church planters: three future planters and spouses

- Facilitated Pastors and Family Bowling night for fellowship and connection

- Arranged City Reach/World Changers missions at two apartment complexes

- Arranged NBA-sponsored back-to-school haircuts for 25 kids and provided pizza and backpacks (240 kids in attendance)

- Signed 4 churches with the NBA

- Actively talking to 4 more churches to be a part of NBA

- Acquired a videographer to do videos for NBA

- Partnered with TBMB to offer an apologetics conference at the Nashville Zoo for NBA pastors and families

"There was a time when the church was very powerful. It was during that period that the early Christians rejoiced when they were deemed worthy to suffer for what they believed. In those days the church was not merely a thermometer that recorded the ideas and principles of popular opinion; it was the thermostat that transformed the mores of society." – Dr. Martin Luther King Jr ("Letter from the Birmingham Jail," April 16, 1963)

City Reach Strategist

Mark Harvey

City Reach Nashville officially began in November 2017. It is a two-year ministry partnership between the Nashville Baptist Association and the Tennessee Baptist Mission Board. The goal of *City Reach Nashville* is to invite volunteer teams from churches across Tennessee to come to Greater Nashville and minister alongside NBA church plants, ethnic churches and churches going through revitalization to share the Gospel across this great city. We are hoping to bring to the front lines of the harvest field opportunities like these: Gospel block parties, prayer walking venues, Backyard Kids Clubs, ethnic group

research, sports evangelism, English Language Learning (ELL) tutoring, student ministry, Vacation Bible Schools, church planting, college outreach, various construction projects and any other means of evangelism that a team can bring with them for the spread of the gospel.

Fourteen NBA churches and pastors have opened their hearts and doors to *City Reach* volunteer teams:

Antioch First Baptist Church, Vic Jungkurth
Bell Road Baptist Church, Mark Harvey
Berryville Baptist Church, James Abernathy
City Church Network, David Kaufmann

New Life of Nashville

We have received many wonderful reports from *City Reach Nashville* projects. Here are just a few:

Northwood Baptist Church: Pastor Mitch Mullenax reported that on June 17, 2018, Southwood Baptist Church, Tulsa, OK brought 42 volunteers to go door-to-door throughout Northwood's community canvassing for people interested in coming to the church. Pastor Mitch said one of the best results of this project was that his own members said, "Hey, we could do that!" This has led to a renewed evangelism emphasis at his

church.

Bell Road Baptist Church, along with other volunteers from nearby churches, had its first mission VBS at the nearby The Vistas apartment complex on July 14th. Youth pastor John Wallan reported, "The response from the community was fantastic. Thirty-six youth and children registered for VBS. Many more parents showed up as well. We now have a list of names and families from The Vistas to pray for and contact."

New Season Church: Pastor Dwayne Lewis reported that 37 volunteers from the Pittsburg Freewill Baptist Church, Pittsburg, IL canvassed the nearby Parkwood Village Apartments on June 11-14. Three people accepted Christ as Savior and one has been baptized, so far. Thirty children came to the VBS event through the summer food program with crafts, games and Gospel presentations.

Faith Baptist Church, Madison: Pastor Jerry Jones reported that a volunteer team from Hillvue Heights Baptist Church, Bowling Green, KY came June 10-15 and knocked on 630 doors in the nearby Gateway Community. Several weeks later, a lady from one of these homes brought her handbill to the Faith Baptist Church with a serious need to be rescued from a violent family situation. The pastor and his church were able to reach out to this family and intervene.

Men's Director David Lyon of Cedar Hill Baptist Church in Cedar Hill, Tennessee, has led his men's group to take up three of the *City Reach Nashville* construction projects for **Mt. Olive Baptist Church, Berryville Baptist Church** and **Liberty Baptist Church**. They will provide much needed repairs to these local churches.

Thank you to our NBA leadership team, TBMB Volunteer Mission staff, TBMB WMU, NBA churches, and the churches who have come to Nashville to serve.

Above all, I thank our Heavenly Father for the hearts He has touched to respond willingly and sacrificially. "I will give thanks to you, Lord, with all my heart; I will tell of all your wonderful deeds. I will be glad and rejoice in you; I will sing the praises of your name, O Most High." (Psalm 9:1-2)

The reports continue to come in about all the wonderful things our Heavenly Father is doing through volunteers at our NBA churches located on the front lines of the harvest field through *City Reach Nashville*.

Would your church be willing to sponsor a volunteer team to come and help you with an evangelism project? Or, would your church be willing to help one of our church plants, language churches or revitalization churches with a *City Reach Nashville* project?

Please contact me and let's talk about what the Lord can do through this ministry to impact lives:

People Group Strategist

Mark Harvey

The most recent statistics describe “International Nashville:”

- Our population is 1,875,000 and growing by 90 people every day.
- We have 937,500 unchurched people.
- We have 92 people groups.
- 30 of the people groups in Nashville are identified as unreached people groups (less than 2% evangelized worldwide.)
- We have 15 mosques, one Islamic school, one-Hindu temple, one Sikh temple, 15 Buddhist temples and four Shinto meditation centers
- Nashville residents speak in a total of 150 languages every day.

As the Nashville Baptist Association of churches we must begin to realize that these are not just statistics and numbers, but they represent individuals and families who need to know Jesus Christ as their personal Savior and Lord.

These different language groups are in every neighborhood surrounding a Baptist church in Nashville.

The Nashville Baptist Association currently has ministries to these people groups:

HISPANIC: Primera Iglesia Bautista, Iglesia de Las Americas, Iglesia Bautista Esperanza Viva, Iglesia Alcance Hispano, Iglesia el Rostro de Jesus, Iglesia Bautista Nueva Vida, Iglesia Latina Hermitage Hills, Jesucristo Rey de Gloria, Iglesia Bautista Renacer, Living Stones Baptist Church, Primera Bautista de Donelson

KOREAN: Korean Unity Baptist Church, The Blessed Baptist Church, Han Mee, Bridge Community

ARABIC: Sudanese Ministry Bible Church, Arabic Baptist Church

LAOTIAN: Crieviewood Laotian Church, Lao Baptist Church

NIGERIAN: Crossview Evangelical Church

SWAHILI: Swahili Baptist Church at Woodmont

WESTERN AND EASTERN EUROPE: Romanian Baptist Church, Slavic Baptist Church of Grace, LOGOS Romanian Baptist Church

CHINESE: Nashville Chinese Baptist Church

BURMESE: Agape Church, Zomi Baptist Church, Nashville Chin, United Zomi Baptist Church, Evangelical Baptist Church, International Community Church

NEPALI: International Nepali Church

CAMBODIAN: Belmont Heights Cambodian Church.

VIETNAMESE: Vietnamese Baptist Church.

HAITIAN: First Haitian

This is a great start to reaching the Nations of Nashville. Here is a list of the priority People Groups that have been identified and still need to be reached:

KURDISH: Nashville has the largest number of Kurds outside the Middle East.

SOUTHEAST ASIAN INDIANS

BHUTANESE OF NEPAL

SOMALI

FILIPINO

KAREN PEOPLE OF SOUTHEAST ASIA

MUSLIMS OF MIDDLE EASTERN COUNTRIES

INDONESIANS

Please use this list as a prayer list for you and your church.

As the Lord lays a people group on your heart, please contact me and let’s talk about how your church can begin a Language Group Ministry:

Church Planting Strategist

Ben Adkison

It's been a really busy year in the church planting department at the Nashville Baptist Association. The highlights include: five new churches, a conference aimed at longevity in ministry, a summer missions camp, multiple church planter fellowships, a Basic Training Weekend, planter assessments, and lots of coffee and contacts with planters and pastors around town.

The five new church plants that the NBA helped plant and support this year include:

Grace Story Church - pastored by Ryan Coatney
City of Refuge Church - pastored by Chad Hutton
South Nashville Church - pastored by Bill Blair
New Day Church - pastored by James Dean
The Gathering at 840 - pastored by Gene Mims

In March of this year, the Nashville Baptist Association helped put on a conference called "We Do Not Lose Heart." This conference was specifically aimed at helping foster longevity in ministry. The event was put on in partnership with Grace Community Church, Resonate Church, Trinity Church, and Redeemer Church. The turnout was tremendous and included 60-70 pastors and leaders from around Middle Tennessee. Probably the most exciting part of this conference was the wide range of people who attended and were encouraged.

During the summer, the NBA helped put on a mission camp called "Immerse" that brought student ministries from around the country to Nashville to partner with our church plants. The camp had approximately 70 students involved who served around our city and specifically came to work with New Season Church and Grace Story Church. Haywood Hill Baptist Church hosted the event, Hermitage Hills provided the shower trailer, Aarron Schwartz of Restoration Church preached, and the worship band from 24 Church helped lead in worship. It went great!

Over the past year, we had bimonthly church planter fellowships that had an average of 15-20 people in attendance. During these fellowships, we were encouraged by men including Daniel Eum, Andy Adkison, Scott Thomas, Craig Brown, and Gary Morgan.

We had a Church Planters Basic Training event this year with three different church planting teams represented. Additionally, we helped assess and coach multiple church planters, and I met personally with over 55 church planters/pastors throughout the city.

This was a busy, productive, exciting year!

Leadership Development Team

Larry Floyd

The Leadership Development Team, under the direction of Jack Carver, met with the desire to provide opportunities to churches, and especially staff, to grow in leadership. We are very aware of the challenges that face the contemporary Church in trying to accomplish the Great Commission, especially in leadership issues. Our meetings have been to discuss how best we can serve the churches in their area of growth and leading. Jack, as you may know, retired earlier this year, so we are currently not meeting. However, if you have a need in leadership or some thoughts on how we can help you and your church, please email the NBA office, and we will work with you.

Revitalization Team

Bill Blair

The past year has seen the NBA Church Revitalization Team move from the conceptual to the actual work of helping churches move toward revitalization. During the beginning phases of the CRT, the focus was on definitions and process. After much discussion we landed on an approach that focused not on prescribing a plan but on helping churches discover God's plan for their church. As we focused on this approach, God led us to the following:

Discovery Process: The CRT developed a process to help churches discover God's plan for them. The process involves members from the CRT walking with leaders of churches helping them to evaluate their congregation, the community, and church organization. As the church is evaluated, the CRT helps lead the church and its leaders to focus on prayer as they seek God's will for their church. This discovery process can be adapted for churches that have pastors as well as those without. The CRT began utilizing this process with churches this year.

NAMB Replant Partnership: Early in the year the NBA CRT connected with the revitalization leaders from NAMB in order to learn more about their Replant process. According to NAMB, a replant can come in many forms, but the focus is on renewing the work and vision of churches that are on a course toward eventual death. Most often these churches give up some degree of control to a leadership team, the association, or partnering church in order to receive greater help and make the necessary changes so the church can replant itself in the community where it already resides. NAMB has even developed a specific assessment process to evaluate pastors who feel led to this type of work. With help from NAMB, the NBA began a replant process with a church as they are seeking to call an assessed replanting pastor. If you believe your church is moving toward eventual death, please contact the CRT and we can help you examine the options available for replanting your church in your community so your church might continue its ministry for years to come.

Church Planting Team

Team Leader: *Ben Adkison*

Our church planting team had a really good year as we met together and oversaw church planting ministry for the NBA.

Earlier this year, the team saw significant changes, as Mike Cunningham, who led for several years, took a new ministry position and had to step down. The team didn't miss a beat and is currently composed of: Ben Adkison – 24 Church, Chris Royalty – 24 Church, Gary Morgan – Mosaic Church, Aarron Schwartz – Restoration Church, Dwayne Lewis – New Season Church, Scott Patty – Grace Community Church, Mike Harder – The Gospel Church, and Dan Harder – The Gospel Church.

During our monthly meetings, the team spent time strategizing how to better recruit, assess, train, coach, and meaningfully partner with church planters in the greater Nashville area. The NBA currently does all of these things in some fashion; however, we are always seeking to more thoroughly prepare planters for the tough journey of church planting.

Over the past year, the NBA helped plant five new churches:

- Grace Story Church - pastored by Ryan Coatney
- City of Refuge Church - pastored by Chad Hutton
- South Nashville Church - pastored by Bill Blair
- New Day Church - pastored by James Dean
- The Gathering at 840 - pastored by Gene Mims

All of these churches have received training, coaching, or equipping from the NBA, and all of them are regularly involved in Church Planting Fellowships and other NBA sponsored / led events.

Our team has currently identified 21 different planting priority areas around the city. While all of these neighborhoods have churches, some of them even new churches, we still feel that more are needed to meet the growing population boom in Nashville. A list of these areas can be found online at nashvillebaptists.com/church-planting.

A major win for the team this year was helping Grace Community Church, Resonate Church, Trinity Church, and Redeemer Church (all NBA church plants currently or in the past) help put on a well-attended conference called "We Do Not Lose Heart." The aim of this conference was to encourage and equip church leaders for longevity in ministry.

All in all, it was a great, productive year!

2017 Toy Store

Pat Malone, Director

The NBA Toy Store 2017 was a tremendous success and Christmas was merrier for the **390 families (1,083 children)** who were served through the Toy Store ministry.

Approximately 4,000 toys were provided from local churches, businesses, schools, and individuals. Each child received at least three toys, **195 bicycles** were donated and distributed, and more than **6,000 stocking stuffers** were given away. Families were given cookies, candy, wrapping paper and the choice of a food item (rice or beans). Clothing items also were included for several ages.

<u>From 1951–2017</u>	
Children Served	103,391
Families Served	37,105
Decisions	2,276

Eleven **people made a decision for Christ, along with 6 decisions for rededication!** We want to thank the **34 churches/organizations** that provided toys or donations and the approximately **250 people** who served as volunteers at the Toy Store. We also want to thank our ministry partners, Toys for Tots, Shelby Avenue Baptist Church, Lifeway Christian Resources, Tennessee Baptist Mission Board, and Nashville Wraps for their generous contributions to the Toy Store Ministry.

Ministry Assistants/Secretaries Ministry

JoAnn Howard

In 2018 the NBA was able to scholarship four different ministry assistants — two from Crieveview Baptist, one from Eastland Baptist, and one from Antioch FBC — to attend the Tennessee Baptist Convention Secretaries Conference, April 9-

Becky Crosby teaching Excel and Publisher

11. The conference was held at Victory Baptist Church in MT. Juliet, TN. Those who attended received training in multiple areas, computer, spiritual growth, office management, etc.

Immerse

Nashville Missions Week

Ben Adkison and JoAnn Howard

In both planting a church and working with local church plants, some of my favorite ministry moments happen when student ministries from around the country partner with Nashville area church plants. During this past week, June 10—15, two different churches: Pittsburg Free Will Baptist from Pittsburg, IL, and Southside Baptist Church from South Bend, IN, came to Nashville to work with New Season Church in Bordeaux and Grace Story Church in Donelson.

We called this event “Immerse,” and it was equal parts mission trip and student camp. Students worked each day doing whatever their church planter might ask, and they worshipped each night as they sought to grow closer to God. Immerse Missions Camp featured around 60 participants and was made possible by multiple Nashville Baptist Association churches and pastors. These included: Haywood Hills Baptist Church who hosted the event, Aaron Schwartz from Restoration Church who preached nightly, and the worship band from 24 Church who led us in worship each night.

Immerse was a great week that included ministering and sharing the gospel to children in the Bordeaux area, and doing clean up and electrical work in the Donelson area. God was with us each day in both work and worship, and these students were salt and light to the people of Nashville. It was a great week!

Thank you to Haywood Hills for hosting and providing lodging for the participants, and thank you to everyone else who helped make this event possible!

World Changers

2018 Theme:

On June 16-21, 2018, approximately 230 students and adults converged on Nashville for the 2018 World Changers Combo event. Seventeen crews completed work with seven church plants and nine construction sites and impacted countless lives in our city for God's kingdom.

This year, Davidson Academy served as the lodging site for the students, leaders, chaperones and staff, providing space for participants to sleep and eat and a venue for worship and fellowship.

Church Planting

This year, eight ministry teams partnered with seven church plants/replants in the Nashville area. The church plants involved included:

- Eastland Baptist Church
- Liberty Baptist Church
- New Day Church
- New Season Church
- Real Life Church
- The Church at Woodbine
- 24 Church

Each church planter helps determine the scope of ministry that takes place during the week based on the needs and strategy of the church he is planting. This means that some plants work with ministry teams to offer backyard Bible clubs or Vacation Bible School, some do light construction, some canvass neighborhoods, and some put on block parties or free car washes, among other ministries.

The church planting ministry has proven to be an impactful event for churches and church planters year after year. In some cases, it helps foster significant partnership and ministry for many years between the people and churches involved.

Combo Project Here and Now

Construction

Nine ministry crews worked at construction sites in the Nashville area to complete projects that included:

7 porches, decks, and wheelchair ramps and 1 walkway were repaired or built

1 ministry building was painted

3 homes were repaired by World Changers through demolition, painting, and structural repairs

Thank you to everyone who made financial contributions to cover material costs for wheelchair ramps/ministry sites.

The final statistics for the Nashville Combo event were:

- 52 presentations of the gospel
- 2 professions of faith in the gospel
- 4 people requested more information/had questions about a relationship with Jesus
- 11 people requested prayer
- 10 Bibles were handed out
- 7 church plants/replants involved
- 10 student ministries involved
- 16 ministry teams and crews participated
- 17 Nashville Baptist churches volunteered to provide lunches each day for World Changers crews and staff.

Thanks to all the churches who support the Nashville Baptist Association through prayer, providing lunches for ministry teams, and financial gifts.

· Thank you to **Davidson Academy** for providing lodging and accommodations for the World Changers participants and staff.

· Last but not least, we want to thank the following churches who volunteered to provide and serve lunches to the World Changers crews and staff this year: **Antioch FBC, Bell Road, Bellevue, Donelson FBC, Eastland, Faith, Forest Hills, Friendship Community, Glenwood, Harpeth Heights, Scenic View, Sunset Hills, Tulip Grove, Una, Valley View, Walker, and Woodmont.**

Your faithfulness allows events like World Changers to happen each year!

WMU

Director: *Sharon Vanderpool*

NBA WMU has had an exciting year serving the local churches. Our theme for 2016-2018 has been *By All Means*. Paul wrote in 1 Corinthians 9:22b-23 (NIV), "I have become all things to all people so that by all possible means I might save some. I do this for the sake of the gospel, that I may share in its blessings."

Throughout the year, your Associational WMU team was represented on the NBA Missions Team, in the Executive Committee, and in the Quarterly Board meetings.

In October, members of the team served at TN WMU's JAM, a one-day children's event in which children learn about missions in fun and exciting ways.

November was a busy month for your associational WMU team. The month began with Judy Scott, the 2017-18 director, and Sharon Vanderpool, the 2017-18 assistant director, participating in the TBMB WMU Executive Board meeting at the new TBMB building in Franklin, TN. The following Monday (November 7) NBA WMU observed the Baptist Women's World Day of Prayer at Hickory Hollow Baptist Church, where 35 women and men gathered to pray about the needs of women around the world. We heard from NBA City Reach Coordinator Gary Morgan, we gathered items for the NBA Christmas Toy Store, and we collected more than \$300 in offering for women's projects around the world. Also in November, members of the team were encouraged and inspired listening to IMB President David Platt, among others, speaking about missions and ministry at the TBMB meeting in Hendersonville.

In December, members of our team joined with others across the Association to participate in the NBA Christmas Toy Store at Shelby Avenue Baptist Church.

In February, Judy Scott participated in planning for the Golden Offering for Tennessee missions emphasis. March saw most of our team participate in some fashion, either volunteering or attending the TN WMU's Get-Together/Connection gatherings in Gatlinburg, TN, with Judy Scott attending the Executive Board meeting.

April brought us to our annual meeting at Bellevue Baptist on the 26th with 50 in attendance. There we highlighted Restoration Corner Ministries by collecting items for and learning more about this ministry to college students in the Nashville area. We also learned about some new ways to support Begin Anew through WorldCrafts, a ministry through National WMU that develops sustainable, fair-trade businesses among impoverished people around the world. Attendees also were inspired by hearing Beth Moore, TBMB student and multicultural coordinator, and Martha Pitts, TBMB WMU President. On April 29, we participated in a ministry fair at Simeon Baptist Church.

The following people were elected to team leadership at our annual meeting:

Sharon Vanderpool, *Bellevue*, director
Linda Dice, *Glenwood*, assistant director
Linda Langiotti, *Glenwood*, secretary
Isabel Britton, *Tulip Grove*, language co-consultant
Brian Holt, *Forest Hills*, RA/Challenger consultant
Cynthia Scott, *Hickory Hollow*, technology and communications consultant

The Nominating Committee, comprised of Lori Clark, Charlyene Couey, and Sharon Tyler have continued to work on adding members to our team. These additions are:

Joyce McCloud, *Bellevue*, GA/CA consultant
Judy Harvey, *Bell Road*, prayer consultant
Others are still prayerfully considering.

Royal Ambassador Leadership

Brian Holt

Nashville Royal Ambassadors is dedicated to ministering to boys through the ministry of Royal Ambassadors. Its desire is to see RAs come to know Christ as their Savior and Lord, grow in their relationship with Christ and for each of them to live out the virtues taught in RAs. This is accomplished by providing events for RAs as well as providing training opportunities for RA Leaders.

For the second year in a row rain had a huge impact on RA Wilderness Challenge. We did push through this year and endured the rain on an abbreviated schedule. 109 RAs and Leaders braved the elements and competed in Compass, Knots, Tents, X-treme Team Run and Racers. Worship on Friday was led by Special guest, Zachariah Seanor, National RA Consultant from the National WMU staff. He

challenged the RAs to live their lives as Ambassadors for Christ and to focus on making good choices every day. RAWC focuses on skills needed to be an Ambassador for Christ regardless of where we are called to go. If God calls you to the end of the earth to tell about him having basic camping skills is essential to get there. Knowing how to survive is only half the job. Saturday's worship focused on the missionary skill of Bible Telling. The boys learned how to tell the story of the crucifixion accurately without using their Bible. It was a great event in spite of lower numbers and the weather. A special shout-out goes to Crieewood Baptist, which was the only church to stick it out for both nights and is a great example of RAs being a ministry of the church because it is made up of all bus ministry kids.

Thanks to all of the churches who attended, and we missed those who were not able to attend. Wilderness Challenge 2019 will be April 12-14 at Boxwell Reservations Camp Craig.

Vacation Bible School

NBA VBS Director: *Cindy Davison*

“Game On” was our VBS theme for 2018. As kids grab their megaphones, lace up their cleats, tune up their instruments and fill up the offensive line, sideline, and drumline, your players, cheerleaders, and band members will realize God has given them His ultimate playbook. He wants them to join His team, train hard, celebrate salvation, and encourage one another. Get in the spirit today with Game On VBS.

Theme Verse

“His divine power has given us everything required for life and godliness through the knowledge of him who called us by his own glory and goodness” (2 Peter 1:3).

Motto

Gear up! Get Ready! Game on!

In our association this past year we hosted our VBS Training Clinic on April 16 at New Hope Baptist Church. We provided classes for Directors, Pastors, and all rotations including Students. We had approximately 90 attend the clinic.

Your VBS Team for 2018 included: Cindy Davison, NBA VBS Director, Tara Hayes, Jennifer White, Bridgette Leonard, Mike Davison, Wendy Locke, Mimi Fisher, Eric Boswell, Kim Capps, Scott Wiley, Laura Price, Joe Vinson, and Todd Capps.

Hispanic Sunday School Training

Our Hispanic Annual Sunday School Training took place on September 8, 2018, from 1-5 p.m. at Primera Iglesia Bautista de Nashville, where 171 participants from 19 Nashville-area Hispanic churches were trained in all age groups: preschool, children, youth, new members, adults and pastors. The theme was “The 3 Roles of a Teacher/Pastor.”

The event was sponsored by NBA, TBMB, LifeWay Global, Robertson County Baptist Association, and Primera Iglesia Bautista and was led by Luis Lopez, Associate Director of Mission, Ethnic Work, and William Burton, TBMB Ethnic Church Planting/Evangelism Specialist.

Mapping Center 2018

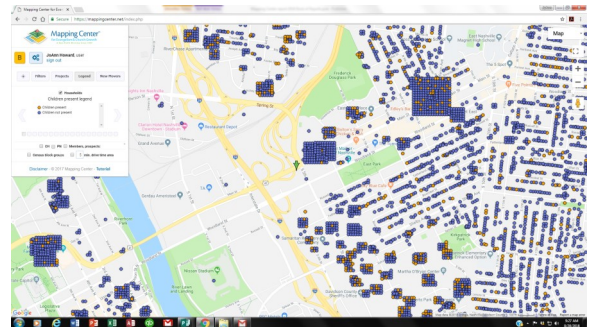

JoAnn Howard

We were able to help save hundreds of hours of staff time through our mapping center. Churches were able to use information from the mapping center to do canvassing, prayer-walking, backyard Bible Club and VBS mail-outs, block parties, neighborhood Bible studies, and many other kinds of outreach projects.

With this information, your church receives contacts for new neighbors, unreached people, religions, ethnic groups, ethnicity, language, income, marital status, education, ages of adults and children, household size and ownership. Over this past year we were able to help 44 churches find out information about their community. Let us help your church reach out into your community.

Churches helped through the Mapping Center:

FBC Old Hickory at the Village	Charlotte Road
FBC Hermitage	FBC Pegram
Park Avenue	Resonate
Lincoya Hills	Crievewood
Redeemer	Green Hill
Antioch FBC	Parkway
Northwood	Church Nashville
Shelby Avenue	Mill Creek
Neely's Bend	FBC Joelton
Hickory Hollow	Indian Lake Peninsula
Eastland	Refuge Church
Westwood	Westview
FBC Madison	Scenic View
City Church Network	City of Refuge
Grace Story	New Season
Valley View	Mt. View
Una	Dalewood
Lakeview	Simeon
FBC Nashville	Berryville
Liberty	Bell Road
Forest Hills	New Life of Nashville
Donelson FBC	Faith Baptist

The mapping center is a computer program that provides a variety of up-to-date information about neighborhoods, streets, and individuals living in our communities. The information provided by the mapping program can be very useful to churches as a tool to specialize and focus ministry. The NBA office provides and interprets reports for churches as a part of the NBA ministry.

Recreation

Tammy Drolsum

The Recreation Ministry of the Nashville Baptist Association connects churches through organized sports; helps churches establish, conduct, enlarge, and improve their recreation programs; and plans and directs recreational activities for the association as a whole.

Our goal is to provide opportunities for churches to connect with other churches and to engage their members and prospects in recreational experiences through which fellowship, lifestyle discipleship, and evangelism take place. To accomplish these goals, we provide leagues for basketball, volleyball, and softball. We also offer monthly golf scrambles throughout the spring, summer, and fall.

The 2017-18 year in review

Coed Volleyball

In the fall of 2017, 11 teams participated in coed volleyball. Hope Fellowship won first place in the fall championship, and Simeon Baptist won second place.

In spring of 2018, five teams participated in a coed league that played at Tulip Grove Baptist Church. The spring volleyball champion team was Lighthouse Christian, and the runner-up was Tulip Grove Team 4.

Thank you, Judson Baptist Church and Tulip Grove Baptist Church for hosting the volleyball league.

Basketball

During the winter, six churches participated in the NBA Men's Basketball League. Tulip Grove was the 2018 champion, and Judson was the runner-up. Thank you, Creeviewood Baptist, for hosting the league this year.

Golf

We had seven golf tournaments, averaging 75-80 players per tournament, and the participants ranged in age from 15 to 85 with approximately 20 different churches fielding teams.

If you would like to participate in the NBA Recreation ministry or enter a team in one of the leagues, please call Tammy Drolsum at 615-259-3034 or email tfdrolsum@nashvillebaptists.com.

The Recreation Ministry is totally funded through the fee charged for each sport.

Impacting Lives

By Becky Sumrall, Executive Director, Begin Anew

"A life is not important except in the impact it has on other lives" — Jackie Robinson

The important work of Begin Anew in 2017 impacted the lives of 307 under-resourced adults and 175 of their children. The outcome of investing in these lives has resulted in several significant agency milestones.

Our educational classes enrolled the largest number of persons and graduated the largest number of students in the 21 years of our existence. A new satellite was established in South Nashville; we designed and implemented High School Equivalency (HSE) classes for ELL students, and we launched a fair trade World Craft artisan group to employ refugees as they make crafts and learn English (worldcrafts.org/artisans/begin-anew-refugeeartisan-group).

Looking to 2018, I envision the expansion and sustaining of the new location and its programs while also seeking the resources to expand alumni services and increase enrollment in all programs. The impact will be an increased number of individuals transforming their circumstances and their lives as they "overcome the obstacles caused by poverty."

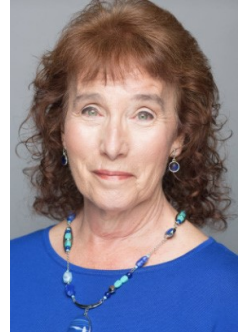

For 40 years, in six cities, I have led community faith-based nonprofits toward the purpose of positively impacting the lives of economically struggling individuals. For the past 18 years, I have been honored and blessed to lead Begin Anew to accomplish this vision in Middle Tennessee.

During my time of leadership, more than 567 volunteers have served, and together we have raised \$6 million to provide educational classes, mentors and services to impact the lives of 4,678 individuals. The budget has grown from \$25,000 to more than \$700,000. We have grown from one location to seven satellites and from one staff member to a staff of twelve. The infrastructure is strong and nimble and the present staff is equipped and trained in an evidence-based holistic approach that help individuals build bridges out of poverty.

In June of 2018, I retired from the position of Executive Director for Begin Anew to pursue part-time opportunities as a coach, consultant, and trainer with individuals and nonprofits. I will continue to serve individuals who are underserved and those who serve them.

The organization and board is prepared for this transition. They will identify and choose a new executive director to impact the 15% of our population in need of our services to "overcome the obstacles caused by poverty."

Thank you for the opportunity and blessing to impact lives in Middle Tennessee for the past 18 years.

Record Number of Participants Graduate

Begin Anew held two graduation ceremonies in 2017 (June 3rd and December 9th) at Nashville First Baptist Church. A total of 57 students graduated with 28 earning their High School Equivalency (HSE) diplomas, 20 completing English Language Skills, four completing Computer/Job Skills training along with five goal graduates. Three students received scholarship awards allowing them to continue their education at college or trade school.

RCM

Restoration Corner Ministry

COLLEGIATE. CAMPUS. COMMUNITY.

Founder: JoAnn Scaife

Co-Founder and Director: Juels Evans

Restoration Corner is a collegiate community project developed to assist young collegiate adults in pursuing their education with a spiritual emphasis through Christian Leadership on their campuses, surrounding communities, and everyday life with each other.

OUR PROGRAMMING

RCM is taking a strong focus on purposeful programming by targeting incoming new students. We have created a strong partnership with TSU and Fisk University new student departments and planning worship services and banquets for the schools. We are adding more Universities to reach in the future.

These are the programs we present as ministry to each campus this Fall and Spring 2018-2019:

In Depth Bible Study – Biblical Study for Fall

Discipleship Unlimited – Ministry professionals teaching the gospel with specific topics

Men Focus Group – *Real Men Talk* Resident Life Program

Women Focus Group – *Esther's Voice* Resident Life Program

Work Study Program – Partnering with the universities to help provide internships and skill training with partners

Special Programming – Freshman Move-In and our Fall Thanksgiving Collegiate Potluck

Thank you, Nashville Baptist Association, for your monthly support.

We would like to thank all our organizations, churches, and individuals who have prayed, supported, and now partnered with the vision of this ministry. It is with great gratitude and humbleness we have experienced sustainability and success. This is not an easy work, but we know we are called to make a difference in the lives of collegians.

SPECIAL PROGRAMMING EVENTS: 2018 FRESHMAN MOVE-IN AND FALL THANKSGIVING POTLUCK

2018 Freshman Move-In was on August 14-15, 2018, where we reached over 2,500+ plus students and their families. RCM created a partnership with Tennessee State University Resident Life to provide hospitality rooms for students and family in the resident halls. We served 6 resident life halls this year including some staff and security. We have 6 new students representing RCM in each resident hall. We had 6 local churches to sponsor and volunteer to serve each resident hall including donation of school supplies from WMU. The churches provided food and prayer support for the families.

Coming Soon is 2018 Fall Collegiate Thanksgiving Potluck, November 27, 2018 at 1 p.m. on TSU Campus.

Thom Thornton, Collegiate Minister

The Mission of the BCM at Vanderbilt Place is to share Christ with students, to disciple students to Christian maturity, to involve students in missions and ministry, and to connect students to the local church.

Our vision is to equip students to make disciples of Christ where they live, work and play

Missions

Our Spring break mission trip was to Charleston, SC, where we worked with several local churches and with the BCM ministry for the Charleston area schools.

In the fall, our trip will be to Cincinnati, OH where we will work with two church plants reaching college students: one at the University of Cincinnati and one at Miami University.

Dinner - and - Discussion

Outreach

Dinner & Discussion is a new outreach endeavor of the BCM. Once a month, we will gather together at the BCM to share a meal and to discuss a relevant topic of faith with the University community. These sessions will be led by Sean McNally, church planter with Apostrophe, a church plant of Brentwood Baptist Church.

Discipleship

Life Groups continue to be the main source of connection and discipleship for our students. Students meet together to discuss the Bible, to pray together, and to address issues of faith and academia. Life groups serve as an entry point for students to become more involved with BCM.

LIFE Groups

Guatemala Partnership

Jim Cross and Bruce Cullom

What a blessing it was for me to lead the NBA's April 2018 medical mission team to Guatemala City. Our team consisted of five local Nashville area healthcare providers (including two nurse practitioners, a registered nurse, an ultra sonographer, and a med-surgical nurse), as well as two local pastors. Through the Guatemalan Baptist Convention, we partnered with a local Baptist church in Guatemala City to host a week-long medical clinic for residents living near the church building. During our week, our team was able to see approximately 600 patients with medical needs including skin problems, intestinal

disorders, and orthopedic challenges, and we were even blessed to notify a few young ladies that they were pregnant.

Guatemala City is a unique area. The city itself is not entirely third-world, but there are certainly pockets of poverty. Approximately 80 percent of the population stops attending school after sixth grade, mostly due to embarrassment over not being able to obtain the necessary school supplies. Many of the young men face the risks of a culture wrought with addiction and organized crime. Those who are fortunate enough to avoid such dangers will often leave the area in search of steady work. For these reasons, there is a vacuum of male leadership in local Guatemalan churches. Of the roughly 600 people that our medical team ministered to, it is likely that only 10 to 12 of them were working-age men. Please pray that God will raise up a generation of male leadership in the Guatemalan church who will seek Him with all of their heart and lead their families and congregations to do the same.

The ministry model that we used was patterned directly after the Master Himself. Jesus often met people's physical needs as a means to address their spiritual needs. After you have demonstrated to someone that you care enough to help them with an illness or other ailment or challenge, more often than not, you have their attention and an opportunity to speak about spiritual matters with them. It was a blessing to see the pastor and several deacons from the local church with their Bibles open, sharing God's Word with everyone who passed through the medical clinic. In addition, every person was given a gospel tract to read and invited to attend one of the several worship services held throughout the week.

Please commit to pray for missionaries everywhere, at home and abroad, short-term and long-term. Please pray for their safety. Please pray for them to be bold for the gospel. And please pray that God's Word is received and that lost people are saved.

Construction

Through your support you have joined in the work of the Nashville Baptist Association. The NBA provided the funds to build an apartment for the pastor and his family, along with the purchase of a washing machine for the seminary.

Imagine accompanying the mission team to Guatemala City, home to 3 million of Guatemala's 16.5 million people. Pass through the tense moments of the immigration line to enter into the heat of the day, the press of people, and the waiting arms of your newfound brothers and sisters in Christ. Hop aboard a bus to merge into the frightening closeness of congested traffic while the sting of diesel

fumes waters your eyes and burns your lungs. Step off your bus at the door of “Jesus Is Lord” Baptist Church. The building is old but substantial. This beacon of hope rests amid some of the poorest people of the city. Now it is time to load the weight of work onto your shoulders and begin to build. Each 50-plus-pound bag of cement must be lumbered up three steep flights of steps. Grab a shovel to manually mix. Take your mind, a pencil, and a scrap of cardboard to set the plans in motion. You are building a space that will be used for Bible learning and worship. Allow your mind to expand into visions of decades as you sketch out the future of this space. Yes, you are building this space. Yes, you have been in Guatemala.

Prayer Requests

Pray that we would see God fill these roles over the next year with passionate people who have a heart for our vision:

1. A secretary for our non-profit
2. A family to work with us on a strategic level
3. Team members for three of our teams.
4. Pray for students studying about Jesus.
 - That their roots will be grounded deep in Christ and they will be able to stand against challenges and questioning
 - For their families that Jesus will be softening their hearts and they can all come to know Him together, creating a small faith community
 - For wisdom for their mentors to teach them in ways that the gospel will reproduce and multiply
 - For protection from the enemy. That nothing will stop what the Holy Spirit has started, that we will see a movement emerge from these students.
5. Pray for our kids as they reenter into local school. Pray that they would live out of the love the Father has for them and that they would have no fear.
6. There was an earthquake in the area. Please pray that through this disaster, there would be hunger for the truth and many would want to follow HIM. Also pray for strength for our team members and discernment for where to spend their time and what needs to meet.

Thank you, NBA churches:

1. For funding for our national team members to attend our annual gathering.
 - You helped pay for the transportation and meals of our 30 leaders who attended.
 - You helped pay for the transportation, accommodation, and meals for our speaker.
 - The speaker works in a hostile area. Two weeks before he came, he had to move out of his area because seven people came to faith and were baptized and the local government became aware of the situation. We were able to bless his family during a time of crisis and hardship.
 - Several of our national workers said this was the best gathering in five years.
 - God brought renewed focus and passion to each of our leaders for the area.
 - We also heard many stories from our young leaders of how our ministry has blessed them. One girl comes from a family of a Buddhist father and an Islamic mother but embraced Jesus after finding a place of belonging at Elevate (our youth center) and being accepted by local leaders who modeled grace and love to her. She said, "Elevate is like my second home, and these guys are like my family."
2. For funding our rent expense for one year. We appreciate your partnership and look forward to serving together in the future.

God bless you, Your Southeast Asia Partners

Legacy Churches

Legacy churches are NBA churches that disband with a plan to continue their ministry through the Nashville Baptist Association. These churches have created an account with the TBMB Foundation that will be administered by the NBA. The funds created through these accounts will be used for missions in Nashville.

The following churches have partnered with your Association to create legacy funds:

Brookside Baptist Church — 1982

Friendly Chapel Baptist Church — 1996

Lyle Lane Baptist Church — 2005

Calvary Baptist Church — 2013

Woodbine Baptist Church — 2014

Bordeaux Baptist Church — 2017

The NBA has been blessed to distribute more than \$1 million to churches in the NBA to be used locally from the legacy gifts of these churches.

If your church would be interested in the NBA Legacy Church Plan, contact Rusty Sumrall at 615-259-3034.

Brookside New Work Fund

The Brookside Fund was started from a gift in the amount of \$325,164.56 from Brookside Baptist Church in 1982. ACP Reports

The Annual Church Profile (ACP) is your tool for reporting your church's leadership, growth, and vital information to your local association. When you keep us informed about your leadership and staff changes, we can communicate about a ministry with the people who are involved in that ministry. When you complete your ACP and give us information about the numbers of people involved in different ministries, we can use that data to help you with appropriate resources and networking. The ACP is used to verify with the IRS that your church is a Southern Baptist church.

Please complete your 2018 ACP and return it to the NBA by November 1.
