Nashville Baptist Association

Mission Statement:

The Nashville Baptist Association exists to cultivate and connect churches throughout the Greater Nashville Area to fulfill the Great Commission.

Core Values:

- **Biblically and Spiritually Based**- We will be biblically based, practicing spiritual disciplines such as prayer, evangelism, and discipleship.
- **Church Focused**- We will assist Churches to be healthy and on mission. (Acts 1:8)
- **Missional**- We will assist churches to become involved in Kingdom-focused initiatives to reach the world for Christ.
- **Strategic**- We will intentionally assist churches to implement a contextually relevant mission plan.
- **Catalytic**- We will take initiative in leading and creative ways that enhance and add value to the ministry of the local church.
- **Relational**- We will add value to the local church by developing broader strategic relationships that produce Kingdom results.

Four Focus Areas

- **Connections**- Bringing together leaders, resources, and missional strategies in partnership between churches. We create vibrant and dynamic fellowship through consistent communication, strategic networking, and intentional relationship building.
- **Leaders**- Caring for our pastors and ministry staff members. We see to it that every pastor and minister in our network is encouraged in their work, connected to other pastors/ministers, and cared for in the context of their specific needs.
- **Planting**- Assisting in birthing new churches around our city. We help churches by identifying locations, assessing planters, training leaders, and securing funding in order to see faithful congregations in every community in Nashville.
- **Revitalization**- Helping existing churches navigate their journey forward. We facilitate new life in churches that are in transition through discerning, resourcing, and bringing clarity to God's purpose and vision for their future.

Ministry Reports

Executive Committee

Team Leader: *Steve Durham*

It's no secret that Middle Tennessee is changing. For long-time residents, a drive through city streets and neighborhoods seems almost unfamiliar. It is both exciting and challenging to see what is happening to what is known as the "IT" city.

The same excitement and challenges hold true for our Nashville Baptist churches. What is happening here gives new opportunities to answer the call of the Great Commission as the nations are making Nashville their home. "Going into the world" means both going far and across the street to the neighbor's house. Our Association is strong and ready to come along local churches be healthy, relevant, and poised to reach our communities with the Good News of Jesus.

For over two years, the Vision 20/20 Team has been working prayerfully and diligently to structure the NBA to better serve and partners with our churches. The new Vision and Purpose of the NBA adopted earlier this year will serve as the driving force "to cultivate healthy churches throughout the Nashville area." You will have the opportunity to approve the final two Recommendations from the Vision 20/20 Team necessary to completing these innovative and visionary changes: electing a Board of Directors and approving the Amended Bylaws of the Nashville Baptist Association. We stand on the precipice of a new day and even greater opportunities to share the hope of Jesus Christ.

The Nashville Baptist Association has been blessed for generations to have loving and generous churches that make up the NBA. Because you continue to give, our Association is strong and ready to partner with our churches for the sake of the Gospel.

May the words of the Apostle Paul be an expression of thanks for your support.

⁴ I always thank my God as I remember you in my prayers, ⁵ because I hear about your love for all his holy people and your faith in the Lord Jesus. ⁶ I pray that your partnership with us in the faith may be effective in deepening your understanding of every good thing we share for the sake of Christ. ⁷ Your love has given me great joy and encouragement, because you, brother, have refreshed the hearts of the Lord's people.

Rusty Sumrall, Executive Director, NBA

Alyssa Krebs, Assistant to Executive Director/Office Administrator, NBA

During the past 2 years your Vision 20/20 Team has worked many hours to develop a plan for the future of the NBA. They asked these questions:

- 1) What would it take for our Association to boldly go where no Association has gone?
- 2) What does this mean in our context?
- 3) What do we need to start doing differently?

Tonight we take the next steps on our vision journey by voting on Constitution changes and a new Board of Directors. Our desire is to come alongside congregations to discover the best solution for opportunities and challenges. Together we will discover solutions one day at a time.

The Association is a family of churches; a living, growing, missional organism. Our churches have sister/brother relationship. We are at our best when we work together to create solutions to reach our city for Christ.

When like minded churches come together they can accomplish more than they might be able to accomplish on their own. My dream is that with our new vision we can see our family of churches working together to assist struggling churches, begin new churches, and encourage and pray for all our ministers.

Come go on this journey with your family, we are a family of churches.

Some things that we see working in growing NBA churches:

1. Praying for lost family, friends, and neighbors by name every day
2. Training Church members how to share Christ with their family, friends and neighbors when God provides the opportunity.

1 and 2 as a church-wide strategy

3. Service ministries to the local community near the church (schools, businesses, government servant employees)
4. Small groups that are discipleship in nature with a ministry expectation being a part of the group.
5. Churches serving together to impact their community in the name of Christ
6. Vibrant worship experiences where the people anticipate that God will do something and because of this, they are eager to invite their friends.
7. Churches have a plan to make an impact for Christ, and they are moving forward with the plan.
8. Churches: As Henry Blackaby says, "God is working all around us, we must join Him where He is working."
9. More than one church sharing the same building, many times sharing building costs and expenses.
10. Dying and plateaued churches strategically engaging in a revitalization process to develop plans for the future.

Nashville is a strategic city in the U.S. We Baptists must not surrender our city to Satan. God help us to overcome our complacency, apathy, fears, and worship of the past to move forward in reaching one city for Christ!

The Nashville Baptist Association has 196 churches that God calls His bride. He wants to see these churches thrive and make an impact on the Metro Nashville area.

Thank you to every volunteer who supports the NBA by giving their time to help sister churches be their best and to train church leaders so they can serve our Lord better!

Thank you to our NBA staff for all your hard work. Thank you for your love of God and His church. Thank you for your call to serve churches.

The purpose of the local association is to help churches be better as they work together to reach our mission field in Metro Nashville.

I commit to you that your NBA staff will do everything possible to assist, resource, and network churches and ministries to reach Middle Tennessee.

We are truly better together! Encourage your church to support the NBA financially and to contact the NBA office to learn how to be more involved together in reaching Middle Tennessee.

Serving Together,

Rusty Sumrall

Church Planting Strategist

Dwayne Lewis

This has been an outstanding year intentionally interacting with pastors, staff members and volunteers as they lead in developing and expanding their respective ministries and churches. As a NBA staff member I am committed to resourcing, mobilizing, and equipping churches to carry out the vision God has assigned them.

I'm doing this through creating strategic alignments within, outside and between various churches in order to expand not only the NBA and SBC, but the kingdom of God. I truly enjoy walking alongside and serving pastors and planters, while fostering this interchange of knowledge, ideas, cultures and denominations in which I believe creates healthy dialogue, relationships and church growth.

New Churches:

United Family Fellowship – Pastor Quentin Dickerson

Nehemiah Missionary Baptist Church – Pastor Thomas Hunter, Sr.

Solid Rock Baptist Church – Pastor Joey Jones

Shiloh Baptist Church – Pastor Chuck Workman

Assembly of Faith Gospel Church (Napoli) – Ratna Rai

Goals accomplished:

*NBA partnered with New Season to provide hair cut for 30 kids

*Met with Keith Cooks and David Brandon with On The Go Ministry to set up opportunities to partner with churches. They have a live nativity scene that we discussed using at a new church plant. Along with some other outreach ideas. We did have an outside festival which included the live nativity scene.

*Connected with 3 potential church planters

*Started a mission work in Paddock apt complex with a planter and his wife called, "Winner's Circle."

*Connected with over 50 church planters and pastors via email, phone, text, lunches and dinner.

*Presented NBA plaques and bibles to three churches during their Sunday morning services.

*Spoke on a Sunday morning at two new churches (United Family Fellowship, Nehemiah M.B. church) that joined the NBA and shared the benefits to their congregations.

*Had three church planter's fellowships and have had over 28 in attendance.

*Planned "Overcoming Barriers for Church Growth" for Bi-vocational Pastor's brunch on a Saturday. Had 14 in attendance.

*Walked along side three churches to join the NBA; United Family Fellowship Baptist Church, Movement Church and Nehemiah MB Church.

*Planned and arranged Fuge Camp to work with Pastor Hunter at the Boys and Girls club for two weeks. There was over 150 kids impacted.

*Walked alongside the new elected Pastor of Mt. Olive MB Church in Charlotte, TN., Antonio Collier. Met with his deacons and discussed NBA and future trainings for church growth.

*Attended the installation service for Pastor Collier and presented a Bible to the pastor from the NBA staff, that was signed by our DOM Rusty Sumrall.

•Met with church planting team and discussed what's next for planters.

*Introduced the NBA mapping center to churches and they have been using this program.

*Revisited the Church planting priority areas and it is exciting to see the areas we are planting churches.

*Setting a date for Basic Training for new church plants and existing churches that desire to enhance their team philosophy and discipleship strategies.

*Met with Charles Grant and potential planter

*Assisted New Life Church in securing \$3,000 stipend for outreach from TBMB.

*Created new brochure for our Revitalization Team.

*JoAnn and I are currently working on a new directory for church planters. This directory will have pictures of the planters, wife, etc.

*Working on a list of church planting steps when they join the NBA that will be added to new church packet.

*Working on new "existing" church process steps and what it means to be an existing church joining the NBA.

*Rusty and I have worked with Lewis McMullen to create a seamless process for churches to join the State Convention without going through another process. When they join the NBA they will be signed up by us for TBMB then we will give them their SBC number.

*RightNow media has 90% of our churches using it.

*I have worked on a Drip Campaign with Right Now media so that every month there is a topic of study.

Dwayne Lewis

City Reach Strategist

Mark Harvey

We are thankful to the Lord for all He has done in the harvest field of Nashville Baptist Association through the City Reach Nashville program. City Reach Nashville began two years ago to enable churches from across the state to join in the work of God by coming alongside church plants, ethnic churches and churches going through revitalization. These ministry opportunities included:

Block parties, Construction Projects, Prayer Walking, Back Yard Bible clubs, Ethnic Group Research, Sports Camps, English Tutoring, Student Ministry, Church Planting, Evangelism, VBS, College Outreach, Music and many more ministries determined by the volunteer groups.

We have been able to work with 70 volunteer contacts across the state of Tennessee and beyond who indicated an interest in coming to Nashville on a mission trip. We had a total of 45 different City Reach Nashville requests from our NBA churches the past two years.

So far this year, we have completed 25 different City Reach Projects such as:

June 2-8: Coggin Avenue Baptist Church from Brownwood, TX stayed at Faith Madison. Half their team worked on a VBS at Faith Madison and Pastor Jerry Jones and half of the team worked with New Season Church and Pastor Dwayne Lewis for evangelism projects and youth choir performance.

June 22-29: Haven Heights Baptist Church of Wauseon, OH and First Baptist Church Perrysville, OH stayed at Bell Road Baptist Church. They spent the days working on construction projects at the Nashville Baptist Association office: cleaning and filling in the cracks in the parking lot, painting the front stair well, cleaning out, repairing and painting the storage garage, cleaning out closets, shredding old files and papers, etc. In the evenings they worked with the Zomi Baptist Church and the Zomi Pastor's Conference meeting at Mt. View Baptist Church. They led a VBS for the children.

June 23-28: Pittsburg Freewill Baptist Church worked with Pastor Dwayne Lewis at New Season Church for evangelism projects at a nearby housing area.

July 6-11: Trinity Baptist Church, Jonesborough, TN helped First Baptist Church Antioch with their VBS projects.

July 13: Salem Baptist Association brought a Youth Team to Bell Road Baptist Church for an International VBS day and evangelism party at a nearby multi-ethnic apartment complex.

July 13-19: Weekly Baptist Association brought a team of 30 to repair the Disaster Relief garage at FBC Donelson and complete a number of construction projects at the NBA building.

We still have four more months to complete City Reach Nashville and we look forward to all the Lord wants to continue to do through the Nashville Baptist Association.

People Group Report for the NBA Book of Reports 2019

Nashville has become a center for immigration in the United States. The Nashville Baptist Association has a great opportunity to fulfill our calling to take the gospel to the ends of the earth by reaching out to the large immigrant population right here at home. Immigrants are moving to Nashville because of the low cost of living and the large employment opportunities. Nashville's largest immigrant groups include Mexicans, Kurds, Vietnamese, Laotians, Arabs, and Somalis. There are also smaller communities of Pashtuns from Afghanistan and Pakistan concentrated primarily in Antioch.

Currently, least 90+ people groups in the greater Nashville region, and over 150 languages spoken. Our long term desire to see at least one church planted among the every people group in Nashville. We currently have over 20 churches planted among different ethnic groups in Nashville, but there is much work to be done.

According to a recent city government survey, Nashville has the largest Kurdish community in the United States, numbering approximately 11,000. A major concern for the city government is that Nashville is home to a growing number of residents who speak English "less than very well." By the latest Metro estimate, it's nearly 10 percent of residents, meaning that more than 60,000 people are conversing in Spanish, Arabic, Somali or other languages. This provides a great opportunity for Nashville Baptist Association churches to begin English as a Second Language classes to reach these people groups.

One highlight this year was Pastor Gin Piang of the United Zomi Baptist Church planned an annual meeting of the Zomi Language pastors from Nepal. At the invitation of Pastor David Outlaw, they had their annual meeting at the Mt. View Baptist Church, June 25, 26 and 27. Pastor Gin requested that City Reach Nashville provide a volunteer team to come and help take care of the children in the evening sessions. Pastor Lance Wyse of Haven Heights Baptist Church, Wauseon, OH brought a team of 12 and Pastor Jeff Woolum of First Baptist Church Perrysburg, OH brought a team of 6. They stayed at Bell Road Baptist Church for the week. In the evenings, they held an AWANAs program for 40-50 Zomi children. Pastor Gin said the pastors and wives were thrilled to have their children taught by English speaking Christians and that the whole experience was a true blessing. Pastor Gin reported a total attendance of 250, including 89 Zumi language pastors from around the United States and 11 coming from Burma for this conference. We praise the Lord that City Reach Nashville was able to participate in this international conference in Nashville.

Church Planting Team

Dwayne Lewis

It has been a rewarding year for church planting branch at the Nashville Baptist Association. We have assisted in planting the Movement Church and Shiloh Baptist Church. We assisted by identifying locations, assessing planters and wife, training leaders and securing funding in order to see faithful congregations in every community in Middle Tennessee.

The church planting team and I are here to assist, empower, and unlock the potential of church planters in order to establish kingdom growth. We support planters in planning and strategizing inside the walls of their church and outside the walls of their church with the greatest evangelistic methods. We find value in finding effective ways to establish the church to healthy church model.

With the increase in population in the “It City” Nashville, we are striving to unlock the potential, passion and creativity in church planters. We are here to walk alongside of planters assisting them in finding new ways to serve their communities to reach lost people. In Nashville alone, there’s about 120 people moving here a day.

It is important to know that in Tennessee there is an average of 50-60 thousand people moving to Tennessee a year. There is 4 million lost people in a population of 6 million. Statistics say there are 1000 unchurched people for every SBC church in Tennessee. There are 145 people groups with 45 of them being less than 2 percent reached. One more reason church planting is needed is an average of 15-25 TBC Churches are closing per year.

I understand the greatest conventional and unconventional way to reach the unchurched is having new churches reach a new diverse people. One study revealed established SBC baptized 3.4 people per 100 resident members while new churches baptized 11.7. Church planting is still important!

New Church Plants:

Movement Church – Pastor Dre Burgs

Shiloh Baptist Church – Pastor Chuck Workman

During the summer the NBA sponsored a mission camp called Engage Nashville that partnered with Coggins Ave Baptist Church, Pittsburgh Free Will Baptist Church, and a Fuge Camp . The churches served in two (2) apartment complexes, and the Boys and Girls club. We had approximately 60 students and chaperones that served in order to expand the kingdom of God. Thanks to Laura Price and Phillip Howard for leading worship and the New Season Church flag dancers.

I want to thank Grace Church, Bell Road Baptist Church, and Faith Madison for hosting our churches during Engage Nashville months.

We had bimonthly church planters gatherings that averaged approximately 20 in attendance. These gatherings were times to share stories, ask questions and dialogue with other church planters.

In addition, we had Basic Training workshops for church planters and their leadership. This training consisted of how to cast your vision, stewardship, evangelism, administration and more.

Ministers Wives Ministry

Becky Sumrall

In January 2019 I began to serve as the volunteer Ministers Wives Strategist for Nashville Baptist Association. As the wife of a pastor, a coach, a ministry leader, and mentor to women the Lord has equipped me through the years for this ministry.

I began by getting acquainted with Ministers Wives. I invited them to my home for *Teas*, to gather at restaurants for *Chats and Chews*, and to meet with me individually. I conducted a survey to learn how NBA could best encourage and supportive them.

The 2019- 2020 NBA Ministers Wives activities and events reflect the results on the survey. Our theme this year is *Flourishing*. This was planned by the NBA Ministers Wives Planning Team. I serve as the chair of the team and the members are Sherly Dean (pastor's wife of New Day Church) and Janet Shrum (pastor's wife of Inglewood Baptist Church). We are actively seeking other pastor's wives to join us on this team.

Guatemala Mission Trip 2019 – Ask Rick Hayes for More Information

The NBA put together a Medical Missions Team to partner with FBC of Guatemala City. This trip consisted of two days of clinic at the church and two days of clinic at a mission local of the church in the city. The dates were 27 April 2019 through 4 May 2019. The team accomplished medical clinic and dental clinic at both locations.

The team was formed in January 2019. There was a collection of vitamins and medical supplies through the WMU of the Nashville Baptist Association. Medical equipment needed for the trip were purchased with approved funds. Power tools were purchased per request of our Guatemala partners and a portable ultrasound machine was rented for the trip.

Revitalization Team

Rusty Sumrall

Your NBA Revitalization Team has been busy this year. We made a trip to the North American Mission Board for 3 days of intensive training to help churches to help churches evaluate the present situation and make plans for the future.

We have also created a brochure. We are available to help any church looking to move forward from where you are, call the NBA office for assistance 615-259-3034.

Church revitalization is an essential part of our strategy at the Nashville Baptist Association. Statistics say, more than 8 Southern Baptist Churches close their doors each week in the United States, or 428 each year.

The Church Strengthening Team (CST) is intentional in walking alongside churches, assisting them with implementing new strategies that will build momentum for a greater gospel impact.

The Team: The NBA has formed a Church Strengthening Team (CST) that is comprised of local pastors and lay leaders who are committed to conveying next level initiatives and transformation that activates ripple effects of church growth and new life.

Jason Rumbough, *Hope Church*

Joe Frejosky, *Charlotte Road*

Rusty Sumrall, *First Baptist*

Kevin Shrum, *Inglewood*

Dwayne Lewis, *New Season*

The Approach: The CST is here to work with you and get clarity through hearing your story of the current condition of the church. It's at that intersection we map out what's next. We are not here to dominate, we are here to coach, identify, advise and do ministry with you. Through that information exchange, the CST will develop and provide a customized strategy to dig the wells of living water again in your church (Genesis 26:18).

Let's collaborate and create a path for church growth together. Please don't hesitate to contact our CST.

The Fundamentals: Churches that seek help must consider the following fundamentals:

First, there is not a quick or an easy answer. Understanding your story is our first task. Strengthening your church requires change, which can be time consuming and difficult.

Secondly, the team will get an accurate picture of the church's current condition and create a church portfolio.

Thirdly, CST will give recommendations, toward "What is God's best for the church?"

Finally, when the CST has done its due diligence in assessing the condition of the church, then we communicate the findings to congregations in a helpful way.

Engage Nashville Missions Month

Dwayne Lewis and JoAnn Howard

EN (Engage Nashville) is about intentional evangelism/outreach, partnerships, connecting, sharing the Gospel, and building one community of God's people at a time.

When it comes to church planting and outreach, some of my most celebrated moments have come during EN. It's during this strategic time we dream and plan big! For instance, imagine if every young person or child in Nashville the "It City," was engaged in the Gospel of Jesus Christ.

Imagine if each time we engaged in a community one (1) soul was saved. EN strives to do just that! EN's desire is to maximize resources and partnerships in order to make an impact on missions through our work at the Nashville Baptist Association in greater Middle Tennessee. In order to accomplish this during the month of June, we partnered with Coggins Ave Baptist Church from Brownwood, TX, Pittsburg Free Will Baptist Church, Pittsburg, IL and Fuge Camp Nashville, TN.

These EN teams did ministry alongside Nehemiah M.B. Church at the Boys and Girls Club and New Season Church at Paddock and Parkwood Villa apartment complexes. They held dynamic worship, recreation ministry, backyard bible clubs, survey work, prayer walking. At each site, they shared the Gospel of Jesus Christ.

It was refreshing and encouraging to see God's hand of love, unity, peace and hope working through the students and chaperones of each team. There were two (2) salvations and the gospel was shared over 40 times during EN.

Thanks to Grace Church for hosting and providing lodging for the churches. Thanks to JoAnn and her hard work and commitment.

WMU

Director: *Linda Dice*

NBA WMU has had an exciting year serving the local churches to help realize their potential. Our theme for 2019-2020 has been UNSHAKABLE PURSUIT. In 1 Corinthians 15:58 it says Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.

Our WMU Annual Meeting took place May 9, 2019 at Glenwood Baptist Church. Linda Dice was elected as new Executive Director with Lori Clark, Assistant Director, Linda Langiotti as secretary. We have Joyce McCloud as GA/CA Consultant, Brian Holt RA/Challenger Consultant, Judy Harvey Prayer Consultant, Isabel Britton Language Co-Consultant, Krishauna Patterson Multicultural Consultant and Cynthia Scott Teck & Communications. What a great group of Leaders.

August 10, 2019 we had our Leadership Training Event. We had a great turnout and hope everyone enjoyed it. Our mission project was bringing items for Disaster Relief.

We were represented at the TN Missionary Parents Fellowship Retreat on Sept 6 & 7, 2018.

We will have several WMU Leaders at the Middle Tenn. JAM this year which will be October 26, 2019 in Murfreesboro.

November will be a busy month for WMU as we prepare for the Women's World Day of Prayer which will be November 9, 2019 at Brook Hollow Baptist Church. Our mission project will be items for Adult Homes.

In December members of our team work with others across the Association to participate in the NBA Christmas Toy Store. This is such a blessing to be able to share God's love.

We are all looking forward to our WMU Get-Together & Connection in Gatlinburg, TN. March 20-22, 2020. This is an event for women and girls of all ages.

Soon we will be planning our 2020 WMU Annual Meeting. We have several openings for our Leadership Team and prayerfully seeking new members to join our team

Royal Ambassador Leadership

Brian Holt

Challenges with the weather was again on the agenda of this years Annual Royal Ambassador Wilderness Challenge. Wilderness Challenge is a camping event that featured a Christian speakers and missionaries for worship, Royal Racers (pinewood derby races) and the Campcraft Rodeo. It has been recognized as one of the best events in the nation. Again in 2019 the weather forecast for the weekend of Wilderness Challenge called for tremendous rain to the area throughout the entire weekend. This impacted our attendance again this year with several churches cancelling at the last minute leading us to our lowest attendance since the first year of our existence. Our motto has been **“Don’t Complain, Camp in the Rain”** and that has been put to the test the last few years. The rain held off with only a few light showers during the day on Saturday. The events went off without a hitch and the boys truly enjoyed our speaker who shared about how dinosaurs fit into a Biblical view. The boys were captivated by his stories and historical perspective while sharing a great message of Faith in our Lord and Savior. The worst of the rain was expected overnight on Saturday and combined with many having to leave for Palm Sunday activities only Sylvia Baptist in Dickson was brave enough to stick it out with our team. And the rain did not disappoint with over 2+” of rain from 3-6am. We are looking forward to Wilderness Challenge 2020 and are hoping for better weather this year!

The RA Wilderness Challenge is later this year due to Easter Sunday and will be held on April 17-19, 2020.

Nashville RAs were featured prominently at this years WMU National Board Meeting prior to the SBC Convention at their headquarters in Birmingham, AL. Nashville RAs promoted RA Wilderness Challenge at the TN RA Booth where we taught attendees how to tie knots. If we are called to go to the Ends of the Earth then we have to know how to get there and how to survive. Camping skills are necessary to fully follow Christ’s command to us to GO! We want churches to embrace the view that RAs is a ministry of your church and if done properly can bring people into the church. More importantly we want churches to see the importance or Royal Ambassadors and how the skills we teach in RAs are vitally important to His challenge to take the gospel to the “ends of the earth.” RAs will know how to build a fire, use a compass, tell a Bible story accurately and know the importance of that calling on our lives. If your church does not have RAs and GAs, how will they know the importance and have the skills to reach the lost? I challenge you to consider having a dedicated Missions Education Program of RAs, GAs or Children in Action and begin preparing tomorrow’s missionaries today!

To do that contact myself and I will be happy to walk you through what you need to do. I will make sure you have the training you need to be successful and to begin to build a foundation for the future.

We covet your prayers for RAs as we continue to reach out to boys for Christ! Be in prayer for the boys of Nashville as they learn to be Ambassadors for Christ. Pray for Godly men and women who will serve as leaders that they will show the love of Christ to each and every boy who comes through the door.

“We Are Ambassadors for Christ. II Corinthians 5:20”

Vacation Bible School

NBA VBS Director: *Cindy Davison*

"In The Wild" was our VBS theme for 2019. invites kids to grab their cameras and head out on a wild adventure—with elephants and egrets, polar bears and penguins, cockatoos and crocodiles. As kids gather snapshots of exotic animals, they will also examine snapshots of Jesus in the Bible. Kids experience opportunities to respond to the gospel through every encounter, providing endless moments to go from bewildered to believing as they get In the Wild at this summer's VBS.

In our association this past year we hosted our VBS Training Clinic on April 8th at Crieewood Baptist Church. Classes for Directors, Pastors, and all rotations including Students. We had approximately 85 attend the clinic.

Theme Verse: But these are written so that you may believe that Jesus is the Messiah, the Son of God, and that by believing you may have life in His name. John 20:31 (CSB)

Motto: Zoom in on Jesus!

Mapping Center 2019

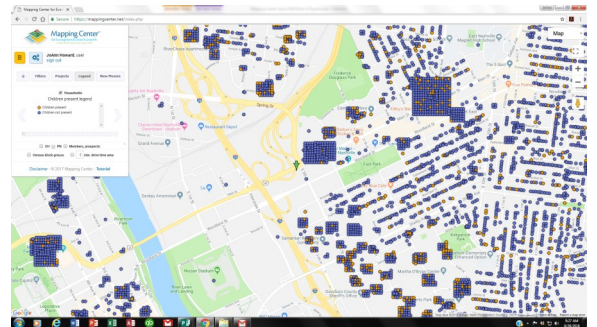

JoAnn Howard

We were able to help save hundreds of hours of staff time through our mapping center. Churches were able to use information from the mapping center to do canvassing, prayer-walking, backyard Bible Club and VBS mail-outs, block parties, neighborhood Bible studies, and many other kinds of outreach projects. This year is the first time we've had small groups identify their neighborhoods for outreach. Through the mapping center we have exciting opportunities to reach your communities for Christ.

With this information, your church receives contacts for new neighbors, unreached people, religions, ethnic groups, ethnicity, language, income, marital status, education, ages of adults and children, household size and ownership. Over this past year we were able to help 44 churches find out information about their community. Let us help your church reach out into your community.

Churches helped through the Mapping Center:

FBC Old Hickory at the Village	Charlotte Road
FBC Hermitage	FBC Pegram
Park Avenue	Resonate
Lincoya Hills	Crievewood
Redeemer	Green Hill
Antioch FBC	Parkway
Northwood	Church Nashville
Shelby Avenue	Mill Creek
Neely's Bend	FBC Joelton
Hickory Hollow	Indian Lake
Peninsula	Judson
Eastland	Refuge Church
Westwood	Westview
FBC Madison	Scenic View
City Church Network	City of Refuge
Grace Story	New Season
Valley View	Mt. View
Una	Dalewood
Lakeview	Simeon
FBC Nashville	Berryville
Liberty	Bell Road
Forest Hills	New Life of Nashville
Donelson FBC	Faith Baptist

The mapping center is a computer program that provides a variety of up-to-date information about neighborhoods, streets, and individuals living in our communities. The information provided by the mapping program can be very useful to churches as a tool to specialize and focus ministry. The NBA office provides and interprets reports for churches as a part of the NBA ministry.

Recreation

Alyssa Krebs

The Recreation Ministry of the Nashville Baptist Association connects churches through organized sports; helps churches establish, conduct, enlarge, and improve their recreation programs; and plans and directs recreational activities for the association as a whole.

Our goal is to provide opportunities for churches to connect with other churches and to engage their members and prospects in recreational experiences through which fellowship, lifestyle discipleship, and evangelism take place. To accomplish these goals, we provide leagues for basketball, volleyball, and softball. We also offer monthly golf scrambles throughout the spring, summer, and fall.

The 2018-19 year in review

Coed Volleyball

In the fall of 2018, 6 teams participated in the coed league that played at Judson Baptist Church

Golf

We had seven golf tournaments, averaging 75-80 players per tournament, and the participants ranged in age from 15 to 85 with approximately 20 different churches fielding teams.

If you would like to participate in the NBA Recreation ministry or enter a team in one of the leagues, please call Alyssa Krebs at 615-259-3034 or email akrebs@nashvillebaptists.com. Or go to our website for current league information <http://www.nashvillebaptists.com/recreation>.

The Recreation Ministry is totally funded through the fee charged for each sport.

Mission Partners Reports

Hope for a brighter future.

Heather Norvell

I joined Begin Anew in October 2018 as Executive Director and understood from the beginning how many leaders served before me and influenced who we are today. As part of explaining the foundation upon which we stand, the Executive Board of Directors and staff worked together to define our core values and vision moving forward along with reaffirming our mission statement as follows:

Core Values of Begin Anew

- We believe everyone deserves a chance to begin anew and walk a journey to a brighter future. 2 Corinthians 5:17 proclaims, "Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come" (ESV).
- We seek to minister holistically to every individual by addressing economic, social, and spiritual poverty.
- We address economic poverty through education opportunities, social poverty through mentoring and building community, and spiritual poverty by sharing the gospel of Jesus Christ.

Mission Statement:

- Begin Anew empowers individuals to overcome obstacles caused by poverty by providing education, mentoring, and resources.

Vision Statement:

- Teaching one generation to change the next.

3 Education Opportunities (along with weekly Bible study):

Once again, we celebrated a record number of graduates in June and December of 2018. We look forward to watching God move mightily in the lives of our students, staff, and volunteers in the years to come!

R RESTORATION CORNER

COLLEGIATE. CAMPUS. COMMUNITY.

Director, JoAnn Scaife

Assistant Director, Jules Evans

Restoration Corner is a collegiate community project developed to assist young collegiate adults in pursuing their education with a spiritual emphasis through Christian Leadership on their campuses, surrounding communities, and everyday life with each other.

OUR PROGRAMMING

RCM is taking a strong focus on purposeful programming by targeting incoming new students. We have created a strong partnership with universities (TSU, Fisk, Belmont) new student departments and planning worship services and banquets for the schools. We are adding more Universities to reach in the future.

These are the programs we present as ministry to each campus this Fall and Spring 2019-2020:

- **In Depth Bible Study** – Biblical Study for Fall
- **Discipleship Unlimited** – Ministry professionals teaching the gospel with specific topics
- **Men Focus Group** – *Real Men Talk* Resident Life Program
- **Women Focus Group** – *Esther's Voice* Resident Life Program
- **Work Study Program** – Partnering with the universities to help provide internships and skill training with partners
- **Special Programming** – Freshman Move-In and our Fall Thanksgiving Collegiate Potluck

We would like to thank all our organizations, churches, and individuals who have prayed, supported, and now partnered with the vision of this ministry. It is with great gratitude and humbleness we have experienced sustainability and success. This is not an easy work, but we know we are called to make a difference in the lives of collegians.

SPECIAL PROGRAMMING EVENTS: 2019 FRESHMAN MOVE-IN AND FALL THANKSGIVING POTLUCK

2019 Freshman Move-In at Tennessee State University was on August 13-14, 2019, where we reached over 2,500+ plus students and their families. RCM created a partnership with Tennessee State University Resident Life to provide hospitality rooms for students and family in the resident halls. We served 6 resident life halls this year including some staff and security. We have 6 new students representing RCM in each resident hall. We had 6 local churches to sponsor and volunteer to serve each resident hall including donation of school supplies from WMU. The churches provided food and prayer support for the families.

SPECIAL NEWS: Restoration Corner New Location

511 Spruce Street off Charlotte, new location of RCM

RCM partners with local church, Spruce Baptist Church off of Charlotte Avenue for office space. We are excited to partner with Spruce Baptist Church and one its non-profit organization, CDC, to occupy their historical home located across from the church to be our main offices. Our goal is to help restore the home to use for a collegiate ministry center, as well as to assist the church with its different community programs. Students will be involved in tutoring programs, church meal programs, special summer programming and more.

On August 8' 2019, a group of Tennessee State Residential Life leaders came to begin the process of renovating the home by participating in a major clean-up day. RCM had over 40 students to join in with clean-up and all became members of RCM. The process has begun and looking for partners to help contribute to the renovation.

A Gathering of 40 TSU Resident Assistants to help clean RCM new location

Great young men and women working together to get it done at same representing their school and organizations, AKA, Collegiate 100, and just simple friendships.

The cleaning is getting done and the sun shining bright and the students are finishing up a great clean at the end of the day.

Ministry Update

Relationship with University:

- The relationship between BCM and Lipscomb is still going very well. Due to the fact that I am leading men's chapel on a weekly basis, Lipscomb seems very happy that BCM is contributing to campus life.

Numbers:

We are still averaging 10-15 students per week.

Weekly Gathering:

- I asked the students which book of the Bible they wanted to study this semester and they unanimously decided on Revelation. For the past two months we have been walking through the first three chapters of the book. Multiple students have commented on how much more applicable these chapters are to their daily lives than they had previously expected.

Previous Problems Resolved:

- Two of our three key leaders whom we thought that we were losing this year due to graduation are actually staying at Lipscomb for one more year for graduate school, This, thankfully, buys us some time to disciple the upcoming sophomore class before handing the reins off to them,

Prayer Requests:

- We have a group of 6 freshman guys who are all very much on the "fringe", They are interested in Christianity. However, they would not consider themselves Christians yet. Thankfully, they are attending BCM and hearing the Gospel every week, I am going through Tim Keller's book The Reason for God with a few of them and they are seemingly coming close to giving their lives to Christ. Pray that God would save them and make them leaders and not just participators at the Lipscomb BCM.

Medical Mission Trip April 2019

We had a great week of seeing patients and fellowship with our Guatemalan partners. We saw a number of patients with heart problems and diabetes, in addition to about 80 patients who were seeking ultrasounds and around 80 dental patients. Our team looked after the needs of many patients both young and old in the love of Christ. The NBA provided \$2,000 to build a covered area for a new church. We are looking forward to what God has in store for the Nashville Baptist Association mission teams in the future.

From our partners:

Thankfulness. Been reflecting on how our attitude of gratitude not only affects our everyday lives but also our relationship with God. Jesus healed 10 men with leprosy and only one came back to say thanks. The others no doubt still enjoyed the blessing of healing and restored honor, but missed the best part of a life giving relationship with Jesus that starts with being thankful for who he is and what he has done. Here is what we are thankful for, as we plow forward in pointing people to the only One who heals, redeems and makes all things new...

Thankful for Renewed Lives in Broken Places. Visiting one of our teams during the aftermath of a devastating earthquake last month highlighted not only the challenging times we live in, but also the messiness of life and ministry here. How do we respond in an empowering way to the overwhelming needs around us? How do we stay focused on what God has called us to do with so many things demanding our time and energy? Despite the challenging questions that surface in messy situations, we are thankful for the way our team is staying the course and serving their community as beacons of light and hope. Good stuff is happening. Spiritual openness pervades the island. People have come to faith. New faith communities have emerged. Leaders pressing on in hard times. Thankful.

Thankful for new breakthroughs. We are excited by what God has in store for the people group who live 5 hours down the road from us. Currently there are no known believers among this unreached and previously unengaged people group. Through our business platform we have been able to explore the region and build new friendships. During our recent trip there, we met a local fisherman who invited us back to his house to drink coffee and meet his family. As we sat there listening to his stories and sharing our own, I was encouraged that it is only a matter of time before we get to witness the first family come to know and follow our King! In our city, we have begun a discovery bible study (DBS) with a young couple from another unreached people group. We are encouraged by their openness to spiritual truth and are beginning to see them invite others to learn as well.

Thankful for 'interruptions'. Every Wednesday morning I gather with a few young men for surf and prayer at our local beach. Last week as we were about to begin our prayer time, we were 'interrupted' by a young guy who came and just stood and stared at us. He said he had never seen a foreigner before and was curious about what we were doing. We asked some questions about his life and discovered he was a 12 year old orphan who had fled an abusive relative's home and now sleeps on the street in the local market. We shared about the Father's love for him and invited him to join us to study a story about Jesus calming the storm. He had never heard of Jesus before but could relate to the fear of his disciples in the face of terrifying times. As we continue to meet and learn more, I'm reminded of the importance of being open to those 'interruptions' that God sends our way.

Thankful for: Partners like the NBA who provide funds to support our ministry in Southeast Asia.

Please pray for:

- Our National Gathering in December – we are excited to have some new people join us this year. Pray for a great time of learning and fellowship.
- Business Development – we are moving ahead with creating a business platform that will give us a stronger identity here and a platform to reach more surfing communities.
- The Development of new national workers – all our teams including our National Leadership Team need more workers, but finding suitable Indonesians is a challenge. Pray we find the right people.

God Bless You, Your Southeast Asia Partners.

Legacy Churches

Legacy churches are NBA churches that disband with a plan to continue their ministry through the Nashville Baptist Association. These churches have created an account with the TBMB Foundation that will be administered by the NBA. The funds created through these accounts will be used for missions in Nashville.

The following churches have partnered with your Association to create legacy funds:

Brookside Baptist Church — 1982

Friendly Chapel Baptist Church — 1996

Lyle Lane Baptist Church — 2005

Calvary Baptist Church — 2013

Woodbine Baptist Church — 2014

Revive Church — 2014

Bordeaux Baptist Church — 2017

The NBA has been blessed to distribute more than \$1 million to churches in the NBA to be used locally from the legacy gifts of these churches.

If your church would be interested in the NBA Legacy Church Plan, contact Rusty Sumrall at 615-259-3034.

Brookside New Work Fund

ACP Reports

The Annual Church Profile (ACP) is your tool for reporting your church's leadership, growth, and vital information to your local association. When you keep us informed about your leadership and staff changes, we can communicate about a ministry with the people who are involved in that ministry. When you complete your ACP and give us information about the numbers of people involved in different ministries, we can use that data to help you with appropriate resources and networking. The ACP is used to verify with the IRS that your church is a Southern Baptist church.

Please complete your 2019 ACP and return it to the NBA by November 1.
