Nashville Baptist Association

Mission Statement:

The Nashville Baptist Association exists to cultivate and connect churches throughout the Greater Nashville Area to fulfill the Great Commission.

Core Values:

- **Biblically and Spiritually Based**- We will be biblically based, practicing spiritual disciplines such as prayer, evangelism, and discipleship.
- **Church Focused**- We will assist Churches to be healthy and on mission. (Acts 1:8)
- **Missional**- We will assist churches to become involved in Kingdom-focused initiatives to reach the world for Christ.
- **Strategic**- We will intentionally assist churches to implement a contextually relevant mission plan.
- **Catalytic**- We will take initiative in leading and creative ways that enhance and add value to the ministry of the local church.
- **Relational**- We will add value to the local church by developing broader strategic relationships that produce Kingdom results.

Four Focus Areas

- **Connections**- Bringing together leaders, resources, and missional strategies in partnership between churches. We create vibrant and dynamic fellowship through consistent communication, strategic networking, and intentional relationship building.
- **Leaders**- Caring for our pastors and ministry staff members. We see to it that every pastor and minister in our network is encouraged in their work, connected to other pastors/ministers, and cared for in the context of their specific needs.
- **Planting**- Assisting in birthing new churches around our city. We help churches by identifying locations, assessing planters, training leaders, and securing funding in order to see faithful congregations in every community in Nashville.
- **Revitalization**- Helping existing churches navigate their journey forward. We facilitate new life in churches that are in transition through discerning, resourcing, and bringing clarity to God's purpose and vision for their future.

Leaders Ministry

One of our Four Priorities is Caring for pastors and ministry staff members. We will encourage ministers and be open to meeting needs when we become aware of those needs.

This past year my wife Becky created and developed a ministry to ministers wives. I am thankful to Becky for beginning this unique ministry and for all the excellent ministry this past year.

Dwayne Lewis developed a bimonthly Church Planters Cohort for learning and fellowship. He continues to be in contact regularly with all church planters.

The NBA Staff called every NBA pastor during the time we were out of the office due to Covid.

I was blessed to have several zoom meetings with pastors of church by size less than 100, 100-200, 200-500 in attendance. During these calls pastors shared ideas about responding to Covid.

We planned 2 pastor/wives retreats for 2020. Both had to be postponed. We will have one retreat in October at Whitestone Inn. For this retreat I was blessed to receive a \$4,000 grant from the TN Baptist Foundation to supplement the cost for our pastors and wives.

In 2021 I look forward to beginning a monthly greet and meet luncheon with pastors and I look forward to starting new pastors Cohorts for fellowship and learning.

Rusty Sumrall

2019-2020 has been a unique year in the Nashville Baptist Association Ministry. We began the ministry year in October with a church planting and a church revitalization training event. We moved into December with an outstanding Toy Store at Hope Church in East Nashville.

In January, we began the search for a Connections Strategist for the NBA. On March 3, 2020 a tornado hit the NBA Ministry Center between midnight and 6:00am in the morning. The roof was ripped off of the building and the interior received extensive water damage.

On the morning of the tornado many volunteers came to help our staff move everything out of the building. Thank you to the volunteers from our NBA churches and to the TBMB for helping us move the building furnishings into 5 storage units in the parking lot. Thank you to the following organizations that sent financial assistance to help with the rebuild.

- Tennessee Baptist Mission Board
- Osage Baptist Association
- First Baptist Church Webster
- New Day Church
- WMU Birmingham
- Randolph Baptist Association

The Nashville Baptist staff have been housed at Crieewood Baptist since the middle of March, 2020. As we settled into our temporary offices at Crieewood Baptist, Covid-19 hit. Our staff worked from home for 2 ½ months calling churches, hosting zoom meetings, and working with the Board to move forward with building issues.

Many in person events have been cancelled due to Covid-19.

The NBA staff have continued to work very hard to meet the needs of churches any way possible. We were blessed to provide the shower trailer, a feeding unit, and the chainsaw trailer after the tornado in Nashville and Chattanooga.

We distributed over 10,000 face masks to 60 churches and 125 gallons of hand sanitizer to 50 churches.

We have missed being in churches every week and seeing the faces of faithful volunteers joining hands to reach Nashville for Christ.

I have been blessed to see the hard work of our pastors, church staff, and lay leaders to help the churches in Nashville move outside the building on Zoom, Youtube, Facebook and other media sources. New ministries have been birthed during the Covid-19 pandemic. God is working through the churches of the NBA!

I continue to pray daily for the pastors, staff and leaders of our NBA churches, that God will use the changes caused by Covid-19 to lead people back to the church.

I pray that our eyes will be open to see what God is doing around us. God has challenged all of us during the past 6 months to move out of our comfort zones to seek new ways to serve Him. May we not get comfortable again! Let's move through the changes we have made; to new changes we need to make to be better servants of our Lord.

I know we are better as we serve together! The NBA is a family of churches that need each other.

I challenge us all to pray for our neighbors, our state, our nation, our world, and our sister churches. The church is the bride of Christ. I challenge you to extend your love beyond your church to other NBA churches.

Thank you to all who have volunteered your service to NBA sponsored events during 2019-2020. Thank you to all churches who have provided funding for the NBA during 2019-2020. Thank you NBA staff for your faithful service to the NBA churches. Thank you for giving me the opportunity to serve the NBA for the last 27 years.

I am blessed to serve the best association in the SBC.

NBA Minister's Wives

Fellowship

2019-2020

But I am like a *flourishing* olive tree in the house of God; I trust in God's faithful love forever and ever. Ps 52:8

The mission of the NBA Minister's Wives Fellowship is to provide wives **"encouragement in their work, family, marriage and ministry, connection to other ministers' wives, and care for them in the context of their specific need."** As I look back over my journey as a minister's wife, I am reminded of the joys, challenges, heartaches, blessings, disappointments, and victories. I am grateful for the women who supported and encouraged me on the journey. God has called me to make myself available as a prayer partner and encourager as they were for me. My prayer is for our team to develop a community, events, and ministries that will prevent wives from feeling isolated and alone and will help ministers' wives find the strength and encouragement for their journey.

I began this year by developing and conducting a survey among NBA Ministers' Wives. There were two purposes for this survey: to identify the interest and need of ministers' wives, and to develop a data base of current address, emails, and phone numbers. Using the results of this survey, I recruited women to serve on the NBA Ministers' Wives Fellowship Team. They planned with me the following events, gatherings, and ministries for the ministers' wives in 2019-2020. Around 75 ministers' wives have participated with us in the past year. We now have a data base of contact information for 75 wives.

Church Planting Strategist

Dwayne Lewis

Our church planting philosophy is to see new churches planted throughout every community in Nashville, TN, the “It City”. We know God is still at work in Nashville and we want to join Him on His mission to make Jesus known to every man, woman, and child. To carry out that philosophy, the church planting team and I are committed to resourcing, mobilizing, and equipping church planters and their churches to carry out the vision God has assigned them.

With the presence of Covid-19, economic downturn, closing of in person worship, social distancing, and wearing a mask, it has been a critical time for churches, Christian schools, and nonprofits across our country. Church planting is all about relationships, and church planters have been challenged with new ways of having church. Using the church building for worship, small groups, and bible studies for several months became non-existent. The future of the church historically is being challenged by Covid-19 and has forced the church to “cast its nets on the other side”.

The church planting team is assisting church planters to become more creative in reaching neighborhoods and communities. I believe that this pandemic has caused us to rethink and reimagine our approach to worship, outreach, and church gatherings to embrace new methods and styles to present the Gospel of Jesus Christ.

Here in Middle Tennessee, we first had the disasters of the tornados that left its path of destruction. Then before we could recover, the presence of Covid-19 swept into our country.

Covid-19 caused our nation to embrace a season of what has become our “new normal”. But, God is still on the move! Over this past year we have still made significant impacts in recruiting, coaching, assessing, equipping, and resourcing our NBA church planters. Because of Covid-19 our Church Planting Fellowships and other NBA led activities were postponed.

As I took time with church planters during this time, I was able to assist them with regathering strategies, production, directing, and setting up ways of getting their churches on social media.

Revitalization Team

Rusty Sumrall

Your NBA Revitalization Team has been busy this year. We made a trip to the North American Mission Board for 3 days of intensive training to help churches evaluate the present situation and make plans for the future.

We have also created a brochure. We are available to help any church looking to move forward from where you are, call the NBA office for assistance 615-259-3034.

Church revitalization is an essential part of our strategy at the Nashville Baptist Association. Statistics say, more than 8 Southern Baptist Churches close their doors each week in the United States, or 428 each year.

The Church Strengthening Team (CST) is intentional in walking alongside churches, assisting them with implementing new strategies that will build momentum for a greater gospel impact.

The Team: The NBA has formed a Church Strengthening Team (CST) that is comprised of local pastors and lay leaders who are committed to conveying next level initiatives and transformation that activates ripple effects of church growth and new life.

Jason Rumbough, *Hope Church*

Joe Frejosky, *Charlotte Road*

Rusty Sumrall, *First Baptist*

Kevin Shrum, *Inglewood*

Dwayne Lewis, *New Season*

The Approach: The CST is here to work with you and get clarity through hearing your story of the current condition of the church. It's at that intersection we map out what's next. We are not here to dominate, we are here to coach, identify, advise and do ministry with you. Through that information exchange, the CST will develop and provide a customized strategy to dig the wells of living water again in your church (Genesis 26:18).

Let's collaborate and create a path for church growth together. Please don't hesitate to contact our CST.

The Fundamentals: Churches that seek help must consider the following fundamentals:

First, there is not a quick or an easy answer. Understanding your story is our first task. Strengthening your church requires change, which can be time consuming and difficult.

Secondly, the team will get an accurate picture of the church's current condition and create a church portfolio.

Thirdly, CST will give recommendations, toward "What is God's best for the church?"

Finally, when the CST has done its due diligence in assessing the condition of the church, then we communicate the findings to congregations in a helpful way.

Revitalization..

Churches Partner with Westwood Baptist Church

Westwood Baptist Church voted on June 28, 2020 to form a partnership with Grace Community Church and Trinity Church for the purpose of Revitalization and Renewal. Westwood also voted to hire a full time pastor who will live in the

proximity of the church. Brother Bob Hammer will continue to minister on the pastoral team as a volunteer after the new pastor comes to serve at Westwood.

Westwood leadership have spent the past 2 years developing a strategy for the future of their church. They determined the best plan

for their church was to find a church or churches that would stand with Westwood to give help to revitalize the church and move into the future.

God has opened the doors for a partnership with Grace Community Church and Trinity Church and possibly other churches to come along side Westwood to offer support and encouragement.

Connections

The purpose of the Connections priority is to bring together leaders, resources, and missional strategies in partnership between churches. We plan to do this through consistent communication, strategic networking and intentional relationship building.

This focus is a part of and works together with the other 3 Focus Areas of the NBA. This past year our goal of hiring a new staff person to guide our Connections Ministry was put on hold due to Covid-19. However, the focus remains vital and alive through our Toy Store, Disaster Relief, Ministry Assistants/ Secretaries, VBS, Bible Drill, WMU and many more.

2019 Toy Store

2019 NBA Toy Store Statistics

<u>From 1951–2019</u>	
Children Served	104,881
Families Served	37,627
Decisions	2,280

2019 was another successful year for the NBA Toy Store.

We served **232 families** and **674 children** through the ministry of the Toy Store.

Over **2,300** toys were provided by local churches, businesses, schools, and individuals as well as thousands of stocking stuffers.

111 bicycles were given away as well as thousands of stocking stuffers.

Each family was also given candy, wrapping paper, and a choice of a food item (rice or beans). Rice and beans were distributed to each family thanks to **Woodmont Baptist Church**.

Clothing items were also included for several ages.

This was a year of transition as we moved from Shelby Avenue Baptist Church to Hope Church (previously Eastland Baptist Church). We want to thank the **22 churches/organizations** who provided toys and donations and the approximately **170 volunteers** who served at the Toy Store. We also want to thank our ministry partners: Toys for Tots, Hope Church, Lifeway Christian Resources, Tennessee Baptist Convention, and Nashville Wraps for their generous contributions to the Toy Store Ministry.

We were not able to have our Annual Meeting this year due to COVID-19 as it was planned for March of this year. However, we are working on next year and are hoping it will be April 22, 2021 with the location still being confirmed. We would appreciate prayer as we have many vacant positions on our leadership team and we are especially looking to fill the Assistant Director and GA Consultant positions.

Vacation Bible School

NBA VBS Director: *JoAnn Howard/Cindy Davison*

Amidst the Covid-19 pandemic, God has shown up in an amazing way through Vacation Bible School.

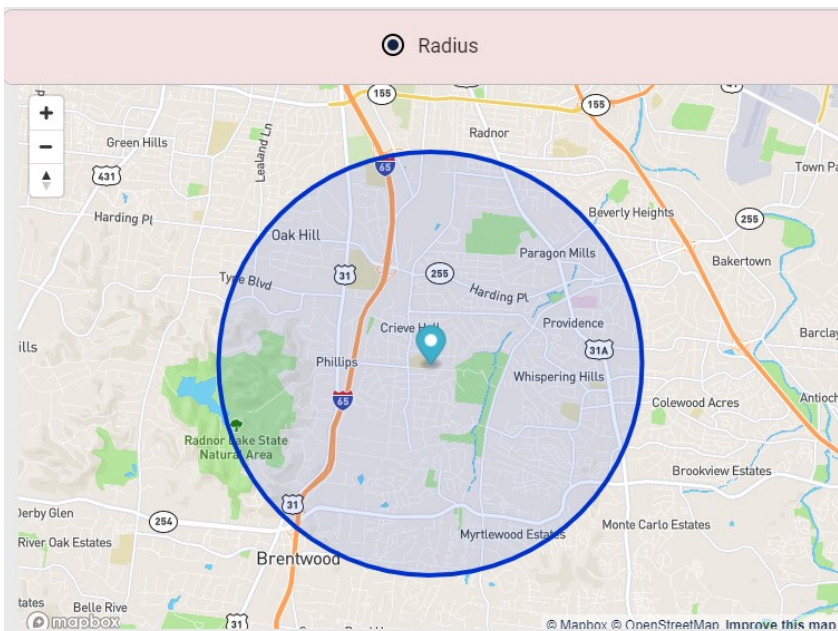

Churches thinking out of the box have given their communities a new and exciting way to experience VBS. Some have opted to have Backyard Bible Clubs, others Online Virtual VBS. No matter how they saw fit to accomplish VBS this year, God was glorified. One church chose Virtual VBS and were overjoyed when 200 children registered. On a normal year of VBS they would run 100 children. We were given a challenge and God's people rose to the occasion. Thank you for all your hard work to creatively organize and plan this year's VBS.

MISSIONINSITE

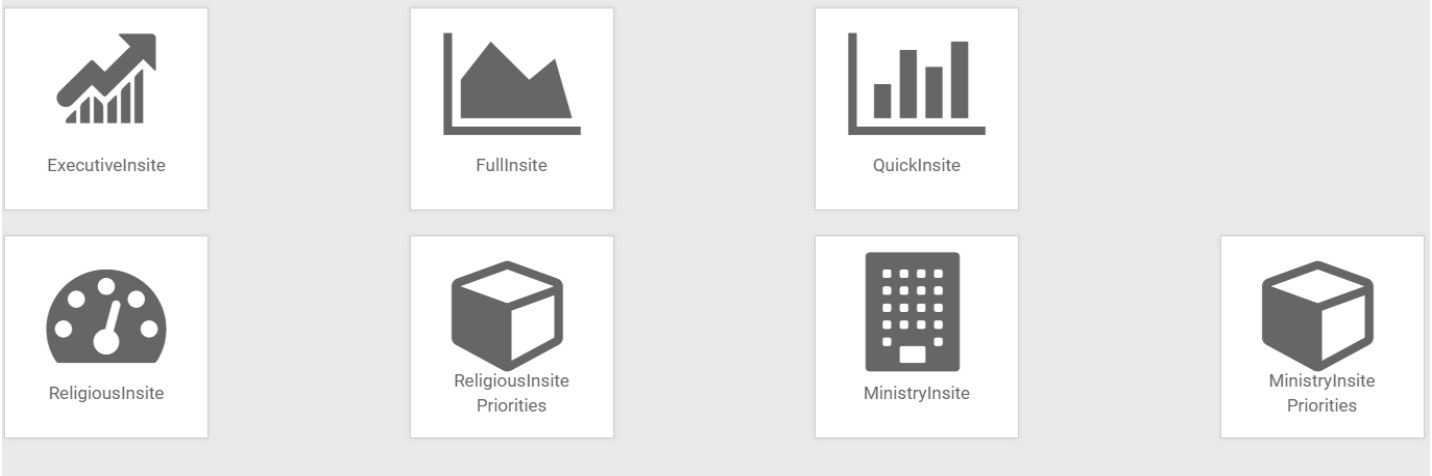

JoAnn Howard

We are excited to offer a new demographic program to our NBA Churches. MissionInsite is a computer program that provides a variety of up-to-date information about neighborhoods, streets, and individuals living in our communities. The information provided by MissionInsite can be very helpful to churches as a tool to specialize and focus ministry. The NBA office can provide and interpret reports for churches as a part of the NBA Ministry.

MissionInsite provides statistical data and information on Religious/Spiritual Attitudes and Practices, Social & Moral Values and the Faith Involvement of those in our communities.

Approximately 52 churches have been helped through the NBA Demographic Programs this year.

Recreation

Alyssa Krebs

The Recreation Ministry of the Nashville Baptist Association connects churches through organized sports; helps churches establish, conduct, enlarge, and improve their recreation programs; and plans and directs recreational activities for the association as a whole.

Our goal is to provide opportunities for churches to connect with other churches and to engage their members and prospects in recreational experiences through fellowship, lifestyle discipleship, and evangelism take place. We offer monthly golf scrambles throughout the spring, summer, and fall and a coed volleyball league.

The 2019-20 year in review

Coed Volleyball

In the fall of 2019, 4 teams participated in the coed league that played at Judson Baptist Church

1st Place Winner: Judson Baptist

Runner Up: Shiloh Baptist

Golf

Due to the pandemic, we decided to begin our golf scrambles in July instead of in April because of health concerns. We are so thankful for the patience of our players who faithfully attend each year!

We had four golf tournaments, averaging 40-50 players per tournament and 8-12 teams across three flights.

The Recreation Ministry is totally funded through the fee charged for each sport.

If you would like to participate in the NBA Recreation ministry or enter a team in one of the leagues, please call Alyssa Krebs at 615-259-3034 or email akrebs@nashvillebaptists.com. Or go to our website for current league information <http://www.nashvillebaptists.com/recreation>.

Disaster Relief Report

March 2-3, 2020 a EF-3 tornado touched down in Nashville and Wilson County in the middle of the night. This overnight disaster left hundreds of people with damaged or destroyed homes, business, churches, and schools. The NBA office received extensive damage as the roof was torn off and everything on the top floor has to be replaced. There was also extensive water damage to the building. In the midst of working through those issues, our Executive Director Rusty Sumrall made calls to our NBA churches and Tennessee Baptist Disaster Relief to get volunteers and responders into our communities.

This was the clarion call to have boots on the ground to assist families and other responders in the north Nashville community. The NBA churches showed up! Our Disaster Relief Team at Judson Baptist Church went to work a few hours after the event, being at the Nashville Baptist Association to assist in removing vital records from the building since the roof was removed during the storm. New Season Church, one of the NBA churches, was used as the communication hub for

donations and volunteers. In addition, the NBA shower trailer was housed there. The NBA requested a feeding unit from TN Disaster Relief and the Texas Baptist Disaster Relief sent a feeding unit to Nashville to serve hot meals. They arrived and parked their trailers and truck at the New Season location.

In the aftermath of this severe storm and tornado, God gave us the opportunity to share Christ and bring help and hope. New

Season Church, Sylvia Baptist Church, First Baptist Joelton, 24 Church, Hope Church, On The Go Ministries, New Life Baptist, Broadmoor Baptist, Judson Baptist, WMU, Movement Church, and the Nashville Baptist staff, were the boots on the ground. These churches put together over 2,000 personal care bags, 2,000 snack bags, 1,500 cleaning supplies boxes. All of these boxes were *hand* delivered to people in the community.

Over 5,000 bottles of water was handed out. In the midst of this tragedy, there were 3 people that were lead to Jesus Christ and one was baptized at New Season Church on Saturday March 21, 2020. The other two were baptized over the next couple of weeks.

We had teams of people removing trees that were blocking streets, cutting trees that had smashed on homes, removing debris and piling branches, etc. for pickup.

After assisting at the NBA building, our chainsaw crew began to clear trees from driveways and sidewalks so people could get out of their homes. Over

the course of the week we had the opportunity to minister to 10-12 families in East Nashville, Donelson and Lebanon. The Chainsaw unit was used a week in the Chattanooga area to clean debris after the tornado there.

Also the NBA Shower trailer was used for 3 weeks at First Baptist Cookeville to assist volunteers after the tornado in that part of the state

We view these disasters as opportunities to spread the gospel and hope in a time of need. Everyone we had the opportunity to minister too were reminded that God spared them during this horrible storm for a greater purpose. The most gratifying thing about Disaster Relief efforts is meeting people in their need and sharing the gospel with them.

Mission Partners Reports

Hope for a brighter future.

I joined Begin Anew in October 2018 as Executive Director and understood from the beginning how many leaders served before me and influenced who we are today. As part of explaining the foundation upon which we stand, the Executive Board of Directors and staff worked together to define our core values and vision moving forward along with reaffirming our mission statement as follows:

Core Values of Begin Anew

- We believe everyone deserves a chance to begin anew and walk a journey to a brighter future. 2 Corinthians 5:17 proclaims, "Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come" (ESV).
- We seek to minister holistically to every individual by addressing economic, social, and spiritual poverty.
- We address economic poverty through education opportunities, social poverty through mentoring and building community, and spiritual poverty by sharing the gospel of Jesus Christ.

Mission Statement:

- Begin Anew empowers individuals to overcome obstacles caused by poverty by providing education, mentoring, and resources.

Vision Statement:

- Teaching one generation to change the next.

3 Education Opportunities (along with weekly Bible study):

1. HiSET Preparation & Training – High School Equivalency Test (5 Core Subjects: Math, Reading, Science, Social Studies, & Writing)
2. ESL Classes – English as a Second Language
3. Computer & Job Skills Training – (Word, Excel, Windows, Outlook, & PowerPoint along with skills such as building a resume, interview techniques, budgeting, goal setting, etc.)

Once again, we celebrated a record number of graduates in June and December of 2018. We look forward to watching God move mightily in the lives of our students, staff, and volunteers in the years to come!

BAPTIST COLLEGIATE MINISTRY

at Vanderbilt Place

Pre-Covid Highlights

BCM launched a new weekly lunch where we began serving an average of 30 students and saw over 50 new students enter the BCM building during the shortened Spring Semester.

Prior to the onset of Covid-19, BCM participated in a Spring Break Mission Opportunity with the BCM at UT Martin and the BCM at Cumberland University. Throughout the week, students participated in evangelism training, and shared the Gospel with beach goers and residents in nearby RV parks in Orange Beach, AL.

Post-Covid Highlights

The season of Covid-19 brought about online learning, Bible studies, and weekly hangouts. BCM has been able to continue ministry and even grow spiritually and numerically in the midst of social distancing and stay at home orders.

BCM finished out the semester with Mary Wiley's study "Everyday Theology" and even had a guest appearance by the author herself. An online Senior Banquet rounded out the semester celebrating graduating seniors complete with awards and a meal delivered to their door thanks to online meal delivery services.

Currently, BCM is hosting Summer D-Groups, bringing together current students, incoming students, and alumni to study God's word daily throughout the YouVersion Bible app. Nearly 30 students are engaging together in this groups, half of which are incoming freshmen.

Fall 2020

BCM is excited and expectant for the 2020-2021 academic year, regardless of what it may hold with Covid-19 restrictions and regulations—creativity in ministry is at a height and God is on the move.

Southeast Asia Partnership

We continue to build relationships every day with our Muslim neighbors. We are thankful for the many opportunities to have spiritual conversations. Recently I had a discussion about fear. In the conversation I shared why I am not afraid of the ocean, because I feel God's presence with me on the ocean.

Our annual leaders gathering at the end of last year was a little different to past years. We split men and women and did back to back retreats focusing primarily on connecting with Jesus through prayer and bible reading. The highlight for the men's retreat was seeing guys open up and share deep issues of the heart without fear or shame. The highlight for the women was seeing how Jesus met each of them in their places of wounding and need. Jesus became the light in the dark places in their soul that gave them courage to take small steps in their healing process. It was great to see our leaders get encouraged and filled up by God's presence, to enable them to continue serving the Lord with renewed energy and faith.

We have purchased a plot of land where we hope to build a camp in the future. This camp will give us the opportunity to reach a new people group. In August we will have completed 20 years of service in our country. It has been a rewarding journey and we thank God for the work he has done in and through our lives. To help us prepare for the next season of ministry, our family will be returning to the U.S. for home assignment in August and in this time I will be taking a sabbatical for 5 months. Our hope is that this sabbatical will give us much needed rest, help us refocus and be re-tooled for long-term effectiveness in ministry. We have a great team of people guiding us through this time and we look forward to sharing with you how the Lord refreshes our souls, reaffirms our sense of calling and rekindles our passions for him and his kingdom. We would value your prayer and support of us for our family during this important time!

Thanks for sharing our journey of faith to see transformation here in South East Asia!

Much Love!

Your South East Asia Partners

Legacy Churches

Legacy churches are NBA churches that disband with a plan to continue their ministry through the Nashville Baptist Association. These churches have created an account with the TBMB Foundation that will be administered by the NBA. The funds created through these accounts will be used for missions in Nashville.

The following churches have partnered with your Association to create legacy funds:

Brookside Baptist Church — 1982

Friendly Chapel Baptist Church — 1996

Lyle Lane Baptist Church — 2005

Calvary Baptist Church — 2013

Woodbine Baptist Church — 2014

Revive Church — 2014

Bordeaux Baptist Church — 2017

The NBA has been blessed to distribute more than \$1 million to churches in the NBA to be used locally from the legacy gifts of these churches.

If your church would be interested in the NBA Legacy Church Plan, contact Rusty Sumrall at 615-259-3034.

Brookside New Work Fund

Funds provided through the Nashville Baptist Association to assist our churches in starting new work.

The Brookside Fund was started from a gift in the amount of \$325,164.56 from Brookside Baptist Church in 1982. At the time of the original gift, Brookside Baptist Church requested that the gift be invested and the interest generated be used to start new work, *“To acquire land, and to assist in acquiring or erecting buildings (either permanent or temporary) for the establishment of new Southern Baptist Churches or church type missions, first in the Nashville Baptist Association as now constituted and then in other areas as determined by the Nashville Baptist Association.”*

History Committee

Charles Parker

This year the NBA History Committee is happy to report that our association and all our churches are making history in 2020! Guess what? That's both good news and bad news. It's bad because 2020 has been a year like no other since perhaps 1918, the year of the Spanish Flu, or 1942-1945, when a World War was raging, forever shaping the lives of Nashville's sons and daughters. It's good because now as then God is on His throne, and His churches are responding in new and creative ways to share the love of Jesus.

As we travel along life's river, history demonstrates that 2020 will be like a series of rapids that our little canoes have to navigate, leading to more peaceful waters ahead, rather than a Niagara that leads us to destruction. We know that our forebearers faced many periods of trial only to survive and thrive. In that spirit your History Committee set out to plan a great 120th anniversary celebration for you this fall at our annual meeting. What happened? We didn't reckon on a destructive tornado striking our association's office building or a global pandemic striking not only our country but even the whole world.

Nevertheless we have pressed on like everyone else, meeting initially face-to-face and since March via Zoom. What are we working on?

First, we are planning an observance and celebration of our 120th anniversary at the 2021 annual meeting, instead of trying to do a half-way job here on Zoom. In addition to a word from our fearless leader, Brother Rusty Sumrall, we are inviting our two former living directors of missions, Dr. Carl Duck and Brother Jim Freedman.

Second, we are planning at that event a video presentation of highlights of the history of our association with a special emphasis on the last fifty years. We believe that the combination of voice narration, testimony, still photos, and video will inspire us as we look backward in order to look ahead for the next phases of our journey along the river of life for our churches and all of us Christians as we seek to minister into this 21st century starting from the Cumberland River and progressing to the ends of the earth.

Third, we anticipate unveiling a book next year that will update the history of our association and its churches. The last book, *Acorns to Oaks*, was published about 1970 and covered the history of Baptists in Middle Tennessee from the 1700's and of the NBA from its inception in 1900. Next year's book, which we anticipate calling *A Forest of Oaks by the River and Beyond*, addresses the massive changes in American society that have occurred since 1970 and some of the ways our association and churches have responded. For example, struggles for greater racial justice today are a new development of the civil rights movement in the Fifties, Sixties, and Seventies, which eventually led to positive impacts on Nashville Baptists. We have been challenged by changing gender roles, by a series of shifts in the confidence of Americans in the presidential office that began in the 1970s, by certain theological issues, by the influx of people from many nations that have led to one in seven people in Metro Nashville being foreign born, and by many other forces.

So, fasten your seatbelts for the next year, and we're praying that by then we can have an in-person celebration that will be memorable for all of us.

ACP Reports

The Annual Church Profile (ACP) is your tool for reporting your church's leadership, growth, and vital information to your local association. When you keep us informed about your leadership and staff changes, we can communicate about a ministry with the people who are involved in that ministry. When you complete your ACP and give us information about the numbers of people involved in different ministries, we can use that data to help you with appropriate resources and networking. The ACP is used to verify with the IRS that your church is a Southern Baptist church.

Please complete your 2020 ACP and return it to the NBA by November 1.
